President`s Report April 2016

Hi All.

Sue and I have returned from our trip to Vietnam and Cambodia. We had a wonderful time, beginning in Hoi An, a beautiful river town in central Vietnam that is a centre for tailored clothes. Sue had several garments made. From there we travelled by coach to Hue the ancient capital of Vietnam and then on to Hanoi. After sightseeing in Hanoi, we spent three days cruising Ha Long Bay, scene of over 2000 granite outcrops. The area has been used in a number of James Bond films. Then we returned to Hanoi and flew to Siem Reap in Cambodia where we visited the world heritage sights of Angkor Wat, Angkor Thom and the Bayon Temple. After sightseeing for a few days, we embarked on a 7-day river cruise down the Tonle Sap and Mekong Rivers to Ho Chi Minh city (Saigon). This was a great trip with time to relax and go ashore to visit local markets and towns. This was the first time Sue and I had visited an Asian third world country and we found the experience both informative and confronting.

Please see below some photos of our trip.

Many thanks to Braidy for looking after the meeting during my absence.

We made it home just in time to go the Dahlia Festival which was spectacular with such a variety of flowers in all shapes and colours. I did not realise there were so many different types. Although it was a long way to travel, it was well worth the trip. Thanks to Graham & Lesley Dines for arranging the run. (More in the run report).

I am looking forward to our next run to the RACV Classic Showcase. This a great chance to have a look at some of the more exotic classic cars, browse the sales stalls, enjoy time with friends and make new ones. **(We are now not restricted to 10 Cars)**. Hope to see some of you there.

I will be arranging a run on 15th May to Mornington Racecourse for the National Motoring Heritage Day. This should be a good day - the theme for the show is Cavalcade of Transport so all sorts of vehicles could turn up. More details in Up Coming Events.

I look forward to catching up with you all at either one of the runs or at the next club meeting

Keep on Morrying

Club Captain's Report April 2016

Hi everyone,

Braidy has kindly organized a run to the RACV Classis Showcase. We have also managed to get a few more spots at Flemington for our Club to display its cars. Please contact Braidy if you intend on going. Next month we have the Clifford Park Scouts Mechanics Weekend. Over the weekend we will show the scouts how to strip and reassemble a Morris Minor engine as well as other mechanical topics.

May the 15th is also National Motoring Heritage Day. The AOMC has organised the 'Cavalcade of Transport' at Mornington Racecourse. Gates open at 10am, gold coin donation for entry.

All details are in the Up Coming Events in the Generator.

Don't forget to think of run ideas for later in the year as we still have a few months free.

Keep On Morrying

UP COMING EVENTS 2016

Sunday 10th April 2016

RACV Classis Showcase

The RACV Classic Showcase is on this Sunday and we have an assigned area for the Morries so it would be great to have a show of numbers. We are meeting at 8.30 am in Docklands to form a convoy to drive to Flemington Race course.

There is a brand new car park where we will meet under the Bolte Bridge.

It's at the very end of Docklands Drive next to the Ron Barassi Snr. Park, opened October 2015.

MELWAYS MAP 43 A9

It's not on the map, Google earth or probably anyone's GPS but it is there - have faith!

Anyone wanting to go direct to Flemington can meet us there. The opening times are 9am for display cars and 10am for the public.

Bring cash - no electronic money on site.

There is food available but a community Picnic is always nice.

There is a competition for each Club so if everyone can bring their windscreen banners and wear club regalia that would be great.

See you there

RUN REPORTS

Dahlia Festival

Several cars assembled at Maccas at the Point Cook Turnoff at 9.30am ready to go at the 10am departure time. This was despite all the road closures around Melbourne for the “Run for the Kids”. The Westgate Freeway from Domain Tunnel to the Bolte Bridge was one along with the Monash Freeway. We also had to compete with the Grand Prix traffic. In spite of this, everyone was on time.

We travelled west past Geelong to Winchelsea for about 95kms. The run went well with the Morries travelling along at about 85 to 90kph.

We arrived at the festival about the same time as members from Ballarat and Torquay.

Jenny Parish from Country Dahlias met us in the carpark after we had put the morries in line in a display and told us all about the property and some information on what they were growing there. After wandering around the property, we commandeered some tables and chairs and settled in for the rest of the day taking in the beautiful weather and some wonderful dahlias. After lunch, we continued to look around with some people ordering some tubers to plant next spring. Jenny's husband Arthur is a keen collector of tractors and farm machinery and ran a few for the crowd to admire.

Participants: Mark & Sue Parritt, Anne Mallet, Henry & Marlene Edwards, Jennifer & Chris Daly, Graham & Lesley Dines, John Mason & Nicole Brnjak, Percy & Cheryl Scicluna, Ken Urquhart, Jeff, Gladys & Rhonda Brumhead, Wayne Cunningham & Lyn Waites, Ern & June Miller.

Editors Report; nil (Braidy produced March Generator for which she was applauded by those present)

A O M C- Stewart reported that he had attended the AOMC meeting in February together with Mark Parritt and Phil Plumbe which discussed information concerning the RACV Classic Showcase on 10th April, The Old Hume Hwy 31 Rally on 28 & 29 May and the AOMC Restoration Seminar on 18th June. He also mentioned that an interesting talk had been given at the meeting by a member of the Motoring Enthusiasts Party on a UK apprenticeship scheme for the restoration of old vehicles.

National Rally. Richard McKellar reiterated details of the likely format of the next National Rally (17-19 November, 2017) commencing unofficially in Bendigo with optional activities on the Fri and Sat and finishing on the main day on the Sun at Caribbean Gardens. He indicated that he had responded directly to Brian Condon's letter (MMCC of NSW) who had been incorrectly under the impression that the 2017 National Rally was only going to be a one day event.

Touring Club: (Geoff & Bev O'Donnell): Geoff indicated nothing further to report

Club Historian nil

Club Librarian Henry indicated nothing to report

CPS Officer Wayne advised that everyone on CPS is now financial as far as membership fees are concerned and that photos of all CPS cars are now on the system.

GENERAL BUSINESS.

1 Leigh Smith's Bequest. Meeting advised that the Committee at its earlier meeting had decided that the best use of the \$400 bequest from Leigh's Estate as a fitting memorial to Leigh with the agreement of the General Meeting would be to award the relevant raffle prize winner at the Annual Club Christmas Party with a suitably worded membership certificate of \$25 which would fully cover e-mail membership or be used towards the dearer postal membership. Such an award, with suitably worded certificate and reporting in the Generator, would enable the memorial to perpetuate for over 15 years. Meeting readily agreed to this proposal. Secretary to write to Leigh's estate advising of this decision.

Tips and Hints nil

For Sale / Parts

Braidy mentioned 3-4 window winders had been sourced following the request at last meeting evidencing the benefit of this agenda item.

Mornington Men's Shed

The Mornington Men`s Shed Morris Minor project is progressing well with many willing hands helping out. We now have the car fully stripped down to the body. There is some rust in the floor by the A pillar and some further back at the jacking point, but overall it is in reasonable condition. Some of the men have been building a rotisserie which is nearly complete. Once finished, a further inspection of the body shell can be done. The engine has been stripped down as water had got into it, but it was found to be good condition and will only require new piston rings and the head to be overhauled. Our next task is to strip and clean doors and guards ready for painting. See the photos on the next page.

Cheers Mark
