President`s Report April 2017

Hi All

We had a fantastic day out on the Mornington Peninsula with a delightful run through picturesque parts of Redhill and Main Ridge, finishing up with a wonderful pizza lunch put on by Mario and Teresa Di Pilla. Many thanks to them both for making us most welcome to their home and for supplying lunch. Unfortunately, the day was marred by Ken Urquhart's fall when he was helping to push start my van - the starter motor failed. Ken fractured his femur and had to be taken to Frankston hospital. We all wish Ken a speedy recovery.

Please remember that your club renewal should be paid by the 30th April. If you are on club plates and have not renewed your membership, your club permit is no longer valid and you could incur a hefty fine if stopped and checked by Vic Roads or the Police.

The Club's AGM will be held on the May club meeting 11th May. All current committee positions will be declared vacant. We have received nominations for all positions except Club Captain. This position will need to be filled if we are to have club runs later in the year.

Our next club run is a trip up the Yarra Valley to Warburton for a picnic lunch. This is a perfect run for our Morries, with not too many hills and very pleasant scenery to drive through. The town of Warburton is a wonderful place to wander through and have afternoon tea, or just look through the shops.

I look forward to seeing a good number of you on this run, especially as numbers attending recent runs have been very low. If you cannot make it to the run, see you at the April Meeting.

**Keep on Morrying

RUN REPORTS

REPORT FOR MORNINGTON PENINSULA RUN AND PIZZA ON SUNDAY 19 MARCH, 2017

This Run was exceptional for scenery, historical interest, exceptional food and absolutely exceptional hospitality of MMCC members Mario and Teresa Di Pilla who hosted the group of 16 who attended their beautiful historic mansion for lunch following the Run.

Six MMCC couples in 4 MMs and 2 moderns started their run from the Waverley Road/ Blackburn Road McDonalds meeting point at around 10am and then drove for approx. 40 mins to the second meeting point at the BP service station on Peninsula Link where they then met up with Mark and Sue Parritt and their friend's Mary and Hugh who drove up from Mornington in Sue's "Muriel". ("Arthur" was the Parritt's chosen chariot for the day)

Leaving the BP servo at around 11am the complete Group of 16 then enjoyed a most scenic route mapped out by Mark to the Arthur's Seat/ Seawinds overflow car park where the Group split up to either view the new chairlift development or walk to the great sea view at Seawinds or stay put for a cuppa. After an hour of our chosen activity we then set off down the steep incline passing under the chairlift and then a short drive to our very welcoming hosts Mario and Teresa, arriving shortly after 1pm.

The New Arthurs Seat Chairlift

The Group was then spoilt rotten by the great hospitality of our excellent hosts, hospitality for which Italians are renowned. The pizzas cooked by Mario and friends in his own wood-fired oven were mouth-watering as too were the lovely salads and sweets prepared by Teresa and friends.

Mario cooking the Pizza's

Teresa gave a very interesting talk on the history of their historic home which in days gone by hosted a number of Miss Australia's and a Prince of Wales. Teresa also took many of the Group on a very interesting and informative tour of her home.

All those who attended the day had a most enjoyable time and the visit to Mario and Teresa's home was a highlight.

Around the pool for lunch

Mario's Morry

Unfortunately the day came to a sad end when Ken took a tumble requiring an ambulance trip to Frankston Hospital with what turned out to be a fractured femur.

The Club extends its gratitude to Mario and Teresa Di Pilla for their generosity and hospitality and to their army of helpers and also wishes Ken a speedy recovery.

Attendees: Rob & Trish Smith, Graham & Rosalee Harper, Phil & Liz Plumbe, Ken & Barbara Urquhart, Henry & Marlene Edwards, Michael & Veronica Dobson, Mark & Sue Parritt and friends Hugh & Mary Wistance, Mario & Teresa Di Pilla and friends. Vehicles 6 MMs & 2 moderns

Michael Dobson (who confesses to driving a well braked and air-conditioned modern)

ROTISSERIE TO LEND

Last year I had a rotisserie fabricated, based on the design of the one that Mark and his gang built and have used at the Mornington Men's Shed. Mine doesn't have the natty plate which allows you to set it at one of eight (maybe more) positions but anyone who can weld could attach one easily enough. The front attaching bracket fixes onto the firewall where the dampers attach and the rear bracket attaches to the body in the spare wheel well, just behind the fuel tank. There were already two holes in mine and another two were easy to drill. The two stands require a trailer or ute for transport and of course the pipe itself is the length of a sedan. It would be easier to transport the pipe if it were cut in half and fitted with a sleeve, which I shall do. I have finished with it on the current project (giving our 1956 four door sedan, which we have owned since 1987, a refurbish) but don't really want to sell it. I would be happy to lend it for free to club members as long as the user had a realistic time frame in mind (less than six months say but negotiable – I doubt that there is going to be a queue a mile long!). In between times it can be stored at my place. I can send photos of it to anyone interested.

Call me on 0407 098 980 or peter.tilyard@gmail.com

FOR SALE

I have decided to let my two morris minors go due to lack of time and a preoccupation with other interests like caravanning around australia. I think it is only fair to let the members of the club have a chance to purchase them before I put them on the open market. You should have all the details on your files but if you want to know anything else just ask me . The green morris (1952) is club registered and is very original and roadworthy. The cream one (1960) is not fitted with the original motor but it will be supplied with it. The motor in it does run but my intention was to recondition the original motor and refit it. The green morris came from South Australia and has 34000miles on the clock and runs well and has no rust. Everything works well and I'm sure will pass a roadworthy easily. The only work I have had

done to the cream morris is the exhaust system. If anyone is interested they can contact me and I will forward more, in detail photos, and they are free to make an offer on the vehicles.

For Sale

Morris Minor 1950 MM

The car is a 1950 CKD (Completely Knocked Down) MM from the UK first registered in Australia in 1951. Last registered and on the road 1968. Engine Number 44137. Car Number 40772/4826. Number stamped on the body 4826

I have driven the car a short distance and the motor and gear box appear to be OK. The engine has a new Coil, Points. A new brake master cylinder has been fitted and one wheel brake cylinder has been replaced. The brakes work but require further attention.

This car is complete and has never been restored. The body and interior are in good condition considering its age. There is a small amount of rust in the driver's side front guard, both doors have rust in the bottom and require a lot of attention. There are only a couple of dents in the rest of the car. It will need a complete repaint.

The car comes with new, full set of suspension rubbers, front windscreen rubber and new chrome centre piece, rear windscreen rubber, side window rubbers, plus spare second-hand doors in pieces and a few other spare parts.

Only selling due to lack of time, as I am restoring another Morris Minor at the Mornington Men's Shed. Price \$900.00 O.N.O
