President`s Report July 2014

Hi All

It was great to catch up with everyone at Bridges Restaurant for the midyear lunch. It is a great venue and the food was very good to. I would like to thank Michael and Veronica Dobson you arranging such a good the event for the second year. I did also enjoy the run through the country side. Thanks also to Barbara Urquhart and Graham Dines for organising the raffles and Neil Cheney for looking after the financial side. More in the run report.

The planning for the 5C camp at Cohuna is going with a number of people booked into the Cohuna Holiday Park. I suggest that if you are thinking coming that you book in soon as there are only small number of cabins available and only a few water side caravan sites available. (More detail further on in the Generator).

The Day of the Morris Minor planning is going well with the DOMM committee meeting at the Morris Minor Garage at Harcourt to finalise the day. A full programme of the DOMM will be in the September Generator. A number of club members are staying at Harcourt on the Saturday and Sunday night making it long week end. For those that doing this we are having dinner to the Harcourt hotel on the Saturday night, DOMM on the Sunday and run on the Monday to take us all home. This should be a great day or weekend. (More information to come in next month`s Generator).

I look forward see you all at the next meeting.

Keep on Morrying

Mark

Club Captain`s Report July 2014

This month we are going to the Macedon Railway Hotel. The meeting point is Woodlands Historic Park and Homestead at 9:30am.

Next month we are heading to Kerrisdale Mountain Railway near Yea.

All details for both runs are in the Up Coming Events later in the Generator.

History of the Day of the Morris Minor **-with a personal point of view** **Braidy Davies**

The first DOMM was in 1983 only seven years after the club started. It was held in Wantirna with over 150 Morrisies on the day and only 49 entered in the concourse.

Next year there were fewer cars as the venue was at Wallan Field a bit out of Melbourne.

From 1986 -1992 the DOMM was held at the Warringal Park in Heidelberg which was when we seem to have hit a bumpy patch.

In 1994 the 11th DOMM was held at Deepdene Park then there is an interlude with the 12th DOMM being in 1997 at the Deepdene oval. The 13th and 14th DOMM was in 2000, 2002 both at Deepdene. In this DOMM I won my first of two trophies I have ever won for the Morris and this was the people's choice award. It's a wonder what a fresh paint job does for a car! 2004 was held at Lilydale Airport as part of the RACV Wings and Wheels day. This was a red letter day for me as I won the Dave Warren Perpetual trophy and I got my picture in the Generator! The Dave Warren trophy is for the best maintained Morris and was introduced in 1989.

16th – 19th DOMM was in 2006, 2008, 2010 and 2012 all at the Caribbean gardens.

This is the DOMM in 2010

So according to my count the 2014 DOMM is the 20th! Time for a change of venue to the Morris Minor Garage in Harcourt North with lots of good things happening.

This will be a very special Day of the Morris Minor.

RUN REPORTS

Mid Year Lunch at Bridges In Hurstbridge on July 20th

Our Christmas in July started early Saturday Morning when we drove to Melbourne and stayed the night at Graham and Lesley's home then on Sunday Morning we left Canterbury, (It was a bit chilly), for McDonald's at Diamond Creek to meet everyone where we had Coffee (some had breakfast) while we chatted .

Meeting at Maccas

Then Michael handed us all a Map with details of where our trip was going , then we headed of in Convoy to the Strathewan Memorial to the bush fire victims.

Paying our respects

Entrance to the Memorial

As we travelled along the road, it was amazing to see how the Country side looks years after the fires. When we got to the Memorial, Veronica gave a talk about the tree that was made out of steel, and then Bruce told us about his sister and husband and what they went through in the fires. The Memorial garden was lovely, and it was good to remember those who were in the fires which people can now visit.

Blacksmith's Memorial Tree

After we moved on in Convoy again, it was nice to see a bit of sun, the views were great as we drove on our way to Bridges Restaurant in Hurstbridge for lunch.

Black Saturday Memorial

🎵 🎵 🎵 On the road again, Just can't wait to get on the road again. 🎵 🎵 🎵

For Sale

Make and model: blue Morris Minor 4 door 1958 sedan.

Registration Number: SBX 445

Engine Number: 9MUH275137

The gearbox and clutch are in good condition and I have had the engine completely reconditioned. The car has had little use since then. I had intentions of restoring the car, , but sadly no time. Rust spots, some attention to the upholstery, and a good paint job is needed.

The car is in Kilsyth if anyone is interested in checking her out.

The price for the car is \$2300 negotiable. This is the amount I paid to have the engine reconditioned.

DID YOU KNOW

When Nuffield agreed with Issigonis's design of the new Morris Minor in 1948, production plans allowed for the manufacture of 400 cars a week.

But very quickly demand for this new car on the English market required production to be increased to 600 a week.

By early 1951 extra production lines were introduced to increase the number to 1000 a week.

At peak production in later times extra shifts were introduced and production reached 3000 a week, most likely 1958, more than seven times the first estimates.

The Millionth vehicle was made in December 1960.

Overall number from start to finish including cars and light commercials is thought to be 1,619,857.

The British Government bought 1000's of light commercials for many departments including almost 50,000 vans for GPO engineers (telephones) and Royal Mail use.

He also advised that the Committee had decided to scrap the Club's EFTPOS facility as a 12 month trial had found it not to be cost effective and apologised on behalf of the Committee for the future inconvenience to members.

Membership Officer

Barbara reported that currently there were 159 financial members (43 postal and 116 e-mail).

Club Captain: Stewart gave a brief run-down of recent Club events and mentioned future events as listed in the Generator including a run to Macedon on 24th August. Both Stewart and Barbara earlier in the meeting made an appeal to the members present to volunteer to organise the run on the day and not leave this task to the usual helpers (mainly Committee) but with a nil response.

Regalia Graham reported all going well and plenty of regalia available for sale including stickers and hats

Editors Report: President indicated that Graham Dines was currently happy with all aspects of the Generator's production

A O M C-

Stewart indicated that he had nothing further to report following the last AOMC meeting

National Rally Richard indicated that he had nothing new to report but with the interest being generated in all the Morrie Clubs suggested members book their accommodation early (rooms are still available at the popular Boomerang Motel in Lavington, Albury)

Touring Club: (Geoff & Bev O'Donnell):

Nothing further to report since the previous meeting other than to mention that arrangements/bookings are well advanced so it is probably too late for new bookings

GENERAL BUSINESS.
