Morris Minor National Rally 2017

Bendigo (swap meeting)

Morris Minor Garage

Melbourne

Bulletin No. 9

We had a fantastic three-day rally and Victoria turned on the best weather!

Friday

We kicked off with a great dinner at the **Quality Resort All Seasons, Bendigo**. The entrance to the Resort looked magnificent: two Morris Minors, flags and a 7 metre long fence banner depicting the National Rally and Morris Minor Car Club of Victoria logos.

Our dining room, decorated with banners and a slide show presentation on a big screen, looked magnificent. **Approximately 90 people attended**. Braidy Davies, President of the host club (Morris Minor Car Club of Victoria) welcomed everyone to the rally. Mark Parritt and Richard McKellar hosted the night. Daryl Meek (RACV) gave a talk on the historic and classic car events he had attended, that are sponsored by the RACV each year. This was followed by a presentation on the new LED replacement lamps we can use on our Morris Minors, given by Darren Goff of **Minor Magic**. Richard McKellar spoke on the restoration work and parts available from the **Morris Minor Company of Australia** (Thorpe), plus a talk on Graphic Design **RMD** (Corporate Identity) and the **Morris Minor Garage**. Richard concluded his presentation with how to prepare your car for Concours.

Saturday

Some Rally participants went to the **Bendigo Swap Meet**, and I believe a few left the venue loaded up with copious items!

The visit to the **Morris Minor Garage** was an enormous success with about 100 Rally participants visiting over the day. A **leisurely cruise** followed from Harcourt to Malmsbury. The informal Dinner at the **Wheeler's Hill Hotel** was an opportunity to relax and have time to meet and greet other Rally participants after such an eventful day.

Sunday

The **Show and Shine at Caribbean Gardens** was fantastic success. The weather was perfect for the outdoor display. So many beautiful Morris Minors were on show. Following registration, **People's Choice** and **Master Concourse** judging began. During judging, most Rally participants were either admiring the Morris Minors or visiting the market to purchase coffee, food or the variety of other goods for sale.

The **Rocker Cover racing** proved a great success, drawing a large crowd to watch the event. There were few entrants, but competition was furious! Graham Dines of the Morris Minor Car Club of Victoria was declared the winner. Best Presented went to Graeme Gould of the Morris Minor Car Club of Queensland. Many thanks to Bruce Kerr for running the event.

Trophy presentations took place at 2pm. In most cases, few votes separated winners from other competition vehicles, as the standard was very high.

Many thanks also to the Rally Sponsors: R.A.C.V, Minor Magic, Brisbane Southside Morris Minor Car Club, Ross & Ann Carr, Sue Littlehales, Brian Parkes, Morris Minor Garage, Robert Thorpe, Morris Minor Australia (Thorpe), Carr Mechanical Services, Fox Trophies, and Morris Minor Car Club of Victoria.

Our special thanks go to the hard-working committee members that arranged such a successful rally.

Feedback

We received **overwhelming positive feedback** from attendees. The pay as you go, opt-in / opt-out approach for all events was well received. All events were very well attended, and in all occasions – exceeded expectations.

The simple approach made for a stress free National Rally.

We look forward to the next National Rally

President's Report – Nov 2017

The National Rally is all done and dusted. What a great weekend it was, running around with all the other Morrrys, meeting great people, eating and drinking, all in our own backyard. That's the least amount of driving I will ever have to do to attend a National Rally.

It started on the Friday night with a dinner at the All Seasons in Bendigo with 80 people! Minor Magic demonstrated various LED's and we had a word from our sponsor, Daryl Meek of the RACV who claimed to own a Morry (no evidence in sight). Saturday morning up early to get to the Bendigo swap meet which is its own very special brand of madness. Then a rendezvous at a cemetery for a delightful run to the Morris Garage at Harcourt, where the Morrrys all lined up on the lawn with a sensational view in the background. Saturday night found us at dinner at the Wheelers Hill Hotel, after surviving a thunderstorm on the way to meet-up with our new friends again and to see some more familiar faces. Next came Sunday and the main event, the show and shine and did they ever! Although I never stopped talking I would have liked to chat with some of the people about their passion for their Morrries – there was one done up like the Holden Efigy with a chopped back window, lowered to the ground, but better - it had flames! At the other end of the spectrum there was a fairly original rusty one as well.

The dust still hasn't settled, with the Rally Banners in my backroom waiting for me to figure out how to auction them off.

Next year is the 70th Anniversary of the commencement of production of the Morris Minor and calls for something special, so it looks like a trip to Canberra for the next National. It was so pleasing to have someone step up for the next National Rally. The general feedback about the change in format and the low-key approach was very positive, with a feeling of relief that now people can do it their way.

On a personal note – HEK behaved herself very well even though I spent hours cleaning the engine bay only to have the bonnet remain closed all day! I now have a new boot bottom to replace the rusty bit I have now. A bit of a disappointment with the rocker cover racing – mine jammed on its first run but really wasn't a contender.

Congrats to Graham Dines for his speedy number, and points to my nephew Riley, for the bubble belching beast.

A thoroughly exhausting but satisfying time.

See you at the Christmas dinner on the 7th – one week earlier than usual.

Braidy Davies,
President MMCCV.

Captain's Report – December 2017

What a fantastic weekend the 18th Morris Minor National Rally / Day of the Morris Minor was. I am sure that everyone who attended, either all or part of it, had a great time. It was exciting to see Morries from as far away as Western Australia come and join in. I would like to thank everyone who helped on the day and, as always, made it run a little smoother.

This month we have our Club Christmas Party on the 7th at the Yarra Valley Country Club in Bulleen followed by the 13th Grand Day Out at Bundoora on the 10th. I hope to see you all there.

Keep on Morrying,
Stewart.

Please think of any additional runs you would like to do this year.
Consider the following suggestion...

Impromptu Runs or Pop-up Runs on a week day

The Committee would like to encourage members to welcome other members to join them on their private morrie runs during the week, or whenever, to increase social interaction of members in-between Club meetings and the monthly weekend runs. This has been difficult to arrange previously when relying on either the Generator or the monthly meeting to broadcast run arrangements but with almost everyone on the internet these days it should be possible to get this happening immediately following the simple procedure outlined below.

As soon as you have a run in mind, preferably at least with 48 hours notice, send an email to the Editor headed "Pop-up Run" giving details of date, time & place of meeting. (McDonalds are good mustering places for coffee and initial toilet visit) and details of intended destination and suggestions of BYO food or café etc. and your name and mobile phone number. The Editor will then immediately forward your e-mail to all Club members listed on the Club database. All you have to do then is turn up at the selected meeting point by the appointed time and a good time can be had by all. Feedback to the Club via any of the Committee members would be appreciated after such runs or at the next Club meeting. Please note that Pop-up runs are not intended to replace the monthly weekend run but be an additional Club activity.
