President`s Report December 2014

Hi All

What a fantastic day the 'Day of the Morris Minor' turned out to be, the Morris Minor Garage made such a wonderful location for the event. It was great to catch up with so many of our country club members who we do not see very often. I would like to thank Richard, Kim and all the McKellar family for letting us use the Garage, also the DOMM committee for their hard work (Richard & Kim McKellar, Graham & Lesley Dines, Braidy Davies and Stewart Carr) for putting on such a successful event and many thanks to all the club members who helped the committee run the day. (More details and statistics in the run report).

I am looking forward to the Christmas Party. From what I have heard about the location and the plans for the night, we should all have a wonderful time. If you are coming and have not booked in with Barbara Urquhart, please do so quickly as we have finalise numbers very soon.

As a reminder, club fees for 2015 are due 1st January and will remain the same as last year. For those cars on the CPS scheme it is very important you get your fees paid on time.

The club AGM is on the 12th February. If you wish to nominate for a position on the committee, please fill in the nomination form further on in the Generator and return it to Secretary (Michael Dobson) by the January club meeting.

I look forward to seeing you all at the Christmas Party.

RUN REPORTS

**The 20th Day of the Morris Minor at the Morris Minor Garage in Harcourt
A Really Great Day!
Braidy Davies President of Vice**

10 morries met at the Macca's at Calder Park on Saturday morning with people having travelled far to get to the DOMM. WA, QLD, NZ, Tas, UK and India. Stewart Carr wins the prize for landing at Tullamarine at 6am for a 10am start! We headed up the freeway at a leisurely Morry pace to the hotel in Harcourt to check in and a lunch stop at the cafe there. Good food and the naughty desk in the cafe came in good use for the President of Vice!

We then headed up to the Morris Garage at the McKellar farm for a bit of organizing and last minute sorting out. The museum there has a great collection of cars which enhanced the day.

Back to the hotel for happy hour or 'cocktails and debriefing'. Dinner at the hotel was a loud affair as our numbers swelled to 34 with the Carr family as well as Cheryl and Percy Scicluna's contingent of locals.

Dinner at Treads Restaurant

Our Accommodation at North Harcourt

Up and off to the garage at 8am the next morning to get set up. Signage, gate people, parking directions, stalls, toilets, all well thought out and acted on. The weather was brisk but we were assured the sun would show itself at 1.00 which it did right on time.

Mark and Wayne setting up

The workers cars

There were a number of interesting stalls and I bought quite a bit of booty. There was the locally made olive oil which is too good the cook with, from the McKellar farm, there was marmalade from the CWA, and not to forget the cider from Henrys of Harcourt. I definitely reduced the carbon miles on these goods. The other highlight of the day was the band - live music is always a treat and this was a local brass band which has been around a long time. They were great and some of them bought their vintage cars as well.

I must say this is the first time I have been away overnight with the club and seen how it works at close hand and I have never seen such a well-coordinated group with everyone pitching in exactly where they were needed. As a new comer to the group I also felt very welcome and included. It was a case of everyone doing a bit so that not one person was overwhelmed. Having said that, there were some who worked their butts off: Barbara Urquhart at the gate for hours on her feet in the cold. Richard McKellar up at 6 getting the road signs out, the hay bales, PA, museum open, etc, etc. Mark Parritt for the overall coordination. A special thanks our general car parking guide, Charles, a neighbour of the Morris Garage, who was not a club member but jumped in to help literally leaping all over the paddock to keep the cars in line making it easier for them to leave. He also bought his E type Jag to widen the variety of cars. Also his wife Dianna made morning tea for us on the run the next day! How do you thank these people?

The band

Cocktails and debriefing was in the car park of the hotel as there were too many of us for one room. It was a much quieter group for dinner that night. Dare I say Best DOMM ever?!?!??

Day of the Morris Minor – report on Monday 3rd November 2014

We awoke to a beautiful day – this is how we expected Sunday (Day of the Morris Minor) to greet us! The other bonus was we did not need to be up and about until 10 a.m. After our leisurely breakfasts in our rooms we drifted outside to soak up the sun whilst waiting for our guide for the tour organised by Richard McKellar.

We were escorted on a short walk to the Harcourt Heritage Centre & Museum where we met our escorts, George and Dianna, for the tour.

After paying our \$5 we were able to have a brief wander around their museum checking out apple and pear industry and Harcourt memorabilia.

Thanks to a suggestion by Ann & Ross Carr, George our raconteur guide, took over their CB radio and kept us all amused with his many stories and running commentary during our drive to Mount Alexander. Along with enjoying the stunning views we checked out an abandoned Granite quarry and heard many more stories from George. We arrived at the top of Mount Alexander for morning tea. After driving past tents and vans we sighted Dianna, who had set up a picnic table with coffee brewing plus tea and, cupcakes and lemon tarts awaiting us.

Most of us relaxed in the open air and listened to many more stories whilst some had their heads under Mark & Sue's van bonnet, busy topping up the gearbox oil. Hopefully it was enough to ensure they got home safely.

After completing our tour, we headed back to Harcourt. A few peeled off earlier to head home. There were 15 brave souls who had decided to join Graham & Lesley for lunch at the Skydancer Butterfly Gardens, Nursery/Café for a relaxing lunch. Graham had, thankfully, pre-booked our tables – otherwise we may well still be there waiting for our lunch! We were a bit peeved watching people who arrived after us having their lunch served, eaten and paid for before we were fed, an hour after our arrival. Not a word of apology for the long delay from the staff, but they did bend the rules and allow us to split the bill! Following our lunch we all headed to our next overnight stay or home with happy memories of our weekend away with our Morrie buddies.

Ann & John Druery

Or email editor@morrisminorvic.org.au

We are selling our Morris minor 1000 1957 2 door with an asking price of \$5,500. The car is located at Wynyard in Tasmania. Anne and Ron Withers contact phone number is 0416 062 599.

1950 MM Tourer project to complete, or else for parts.

Now needing the space occupied by this abandoned older, good quality restoration. Would make a great retirement project, or do you need MM Tourer parts !?

Has Tourer Body Number is #69150: this indicates a build-date during October 1950. The car has all the plates/tags and fitments of a genuine original MM Tourer. The original Tourer body was too rusty, so some years ago a previous owner re-bodied it as a correctly-strengthened MM Tourer. Photos of the reinforced areas and the underside can be provided, or much better you arrange to inspect in person. The car now rolls using rebuilt Minor 1000 front suspension and rear axle, with brakes and bushes all renewed as needed. It could still be changed back to all-original "Series MM" suspension and engine components, as there is a SV engine and correct 4-speed gearbox also provided.

As in the photos, all mudguards and other removable panels have been prepped and superbly painted in 2-pack Mist Green. The chassis structure and underside are also super-sound and painted. TRIM: All the interior beige trim (with brown piping), the carpets and the underlay sections have been renewed, and look superb. The hood bows and most timber parts are here, but it needs a new hood in fabric or vinyl. As offered the car is ready-to-assemble, with all paintwork, seats and carpeting done new. It needs a wiring loom, the two windscreen panes, a fabric or vinyl hood, and a few more easily-found engine parts to complete.

Price \$3250. OR might sell as parts..... say 1) all the perfect panels as a complete lot, or else 2) the total interior trim, at prices to be advised.
