## **President`s Report December 2016**

**Hi All,**

**Nearly the end of another Morry year and to finish off, Elvis is coming to the Christmas Party! If you haven't booked by now it may be too late, but check with Barbara Urquhart in case there are a few places left.**

**Many thanks to Graham and Rosalee Harper for arranging the 5C camp to Phillip Island. Even though there were only a few of us and it was very windy, we still had a great time. (more in the run report).**

**As we are moving the club financial year to the end of March, with the A.G.M in May, those members who have cars on club plates can have their membership card expiry date changed to May 2017. Please contact Barbara Urquhart if you want that done. This is important because if you are stopped by the police, they can ask to see your membership card as well as your signed logbook, to prove you belong to a car club.**

**We have a couple of runs organised for the start of the new year with the Australia Day BBQ and the 40<sup>th</sup> Birthday lunch in February, but after that the cupboard is bare until July, so get your thinking caps on. Some different ideas from both old and new members would be appreciated. Please pass these to Stewart Carr or me.**

**I wish you all a Merry Christmas and a Happy New Year and look forward to catching up with many of you at the Christmas party.**

**Keep on Morrying**

# **RUN REPORTS**

## **Phillip Island 5C Camp**

**Friday:** although there were only a few of us and it was very windy most days, all the 5C's had an enjoyable camp. Sue and I arrived with our caravan on the Friday morning and met up with Michael and Veronica Dobson who had arrived a couple of days earlier - they couldn't stay for the weekend due to family commitments. Next were Graham and Rosalee Harper with their caravan pulled by the Big Rig. Next came Wayne Cunningham and Lyn Waites with their caravan, Barbara and Ken Urquhart following soon after. By the time we had all set up camp, the wind had dropped a little so we had happy hour outside Graham and Rosalee's caravan.

**Saturday:** after morning tea, Wayne, Ken and Graham went off to the Vietnam War Veterans Museum, which was having a special open day. On arrival, they meet up with Jeff Stanyer. The displays had been updated and there were some new ones since the last time the club visited. Also on display were a Bell Huey and Cobra Helicopter. As I had been to the Museum before, I became the driver for the ladies who wished to shop in Cowes – checking out the Op shops a definite priority. After wandering up and down the main street, we returned to the caravan park for lunch. By then Rob and Trish Smith had arrived. That evening we had happy hour and a shared BBQ in the camp kitchen.

**Sunday:** morning tea this time was at Barbara and Ken's cabin, which was a lot more sheltered from the wind. Afterwards, we set off for Wonthaggi to visit Graham Harpers' friends, Peter and Denise. They have a wonderful garden with numerous native plants and a grand showing of roses. Peter is restoring a 1928 Buick roadster with dicky seat in his wonderful large shed with a hoist (we were all very envious). So far he has done work on the chassis, motor, suspension and brakes and is now working on the body. Some parts are missing so he is having to build replicas. Ken Urquhart told us that in 1953 he owned a 1928 Buick 4 door sedan. We then went to Wonthaggi for lunch and were very surprised to find the only eating place open was MacDonald's. So, in we trouped and I must report the toasted sandwiches were good. Back to the caravan park after lunch, then a walk on the nearby beach. Later we spruced up for happy hour followed by dinner at the Cowes RSL, where the food was superb and the décor smart. A good day had by all.

**Monday:** Wayne and Lyn headed off home as they had commitments for Tuesday, while the rest of us went for a tour of the island. First stop was the Chocolate Factory which was very disappointing when compared to the Chocolatier at Yarra Glen. From there we proceeded along the coast to Seal Rocks for a walk around the centre and coffee. That night we had happy hour and another shared BBQ in the camp kitchen.

**Tuesday:** time to pack up and go home except for Graham and Rosalee who were staying for the rest of the week.

It was a most enjoyable few days and great to have time to sit and chat with fellow Morrians.

Keep on Caravanning and Cabining.

Mark

## **FOR SALE**

My father, Jack Dalziel (now near 90) has a 1958 Morris 1000 in his shed that he would like to sell. The vehicle has had its engine removed but it is still available and is otherwise quite complete and original. Generally the body is straight with a little rust to the boot lid where it was exposed the weather earlier in its life.

Jack's phone number is 03 5997 7357 if you have someone that might be interested or you can contact me in the first instance to get more details.

## **FOR SALE**

I have been a Series 2 Minor owner since 1969, it was my first car.

Although the original body shell has gone, I still have all the parts.

In the early 1980's I purchased a complete, running and registered original 1955 4 door series 2 minor that was identical to mine, except that it was light green instead of regal blue.

The acquired car was in excellent, rust free condition.

The panels were removed to start the restoration project, but it remains a rolling chassis with original engine and gearbox installed and should be operational with proper re-commissioning.

The car has always been garaged and is now stored in a dry container on my property at Carlsruhe, Victoria where I reside.

The jewel in the crown is that I have a 1098cc sprite motor that I installed in my original car. It is the 10CCDAH engine with the stronger crankshaft. It is dismantled but should be complete if I can collate all the parts from my shelves. I understand from Bugeye Barn that these engines are now rare.

I have recently purchased a 1929 Morris Minor "Special" that will take all my restoration attention.

Therefore I wish to sell my Series 2 Minor "Project" to someone who is willing to complete it.

The catch is that the purchaser must take "ALL" my Series 2 parts and panels collection and be willing to accept any bits I bring to them, for free, if I subsequently find them in the workshop clean up. This would only occur if the purchaser was interested in the subsequently discovered bits. I imagine there would be at least two tandem trailer loads in the collection, one for the car and at least another for the additional parts and panels.

I am looking for offers at, or above \$2000.00 from a Morris person. If there is no interest, I will list it at a higher price on eBay, but I would prefer not to sell it on the open market.

As I am old, I have no tolerance of stupid people, so if you have any members who have the attention span to read this lengthy email, then we are off to a good start.

The engine number of the car with its original engine is "K/F31922725".

Initial contact may be made with me via email at [peter.davey405@bigpond.com](mailto:peter.davey405@bigpond.com).

For serious enquiries, I can provide chassis and engine numbers and a more detailed list of the number of engines, gearboxes, panels and parts on request.

Yours sincerely,

Peter Davey.

The Christmas Party has 48 people paid so far and needs 60. People are reminded to bring a raffle donation. The cut off for the day to pay is the 30<sup>th</sup> November.

The Australia Day BBQ will be at Westerfolds Park. Cricket, kites, bikes. There will be a run before.

The 40<sup>th</sup> birthday party on Feb19th is a lunch at the Venito Club with a car display in the car park. Lots of plans are being made.

MMCCV is going to invite all Morris minor clubs to Christmas in July next year which will be at Donegan's Farm in Gordon.

Last month's Morrykhana is worth repeating a great little event.

The trip to Philip Island was great including a visit to someone doing up a 28 Buick. The visit to the Vietnam Veterans Museum was luckily on the open day so entry was free and lots of interesting exhibits.

Next year's 5C's trip I planned to be to the RACV Cobram resort on 25<sup>th</sup> November to 2<sup>nd</sup> December. Caravans are \$35 and cabins are \$102 per night. A tentative booking of 5 sites and 5 cabins is to be made.

The rest as per the generator.
