President's Report February 2016.

Hi to you all

Our February club meeting will be a busy night with the general meeting, AGM and the presentation of the years of membership badges.

The Australia Day Run went well and it was great to see a number of new members joined in the parade though not many stayed for the fireworks due to a very strong wind in the evening. For those that did stay, we saw a spectacular fireworks display (More in the run report).

Our next run is a picnic run up in the Dandenong's (BYO everything.) I am looking forward to this as it's not a long run, which will give us all a chance to have a leisurely picnic lunch and catch up with friends.

Membership fees were due the 1st of January. If you have not paid them yet, please do so as soon as possible. If you are paying at the meeting, only cash or cheques will be accepted as we no longer have credit card facilities available.

I look forward to seeing you all at the club meeting or on this month's run.

Keep on Morrying

14th February 2016

Dandenong Mountains Picnic Run

Meeting at McDonalds, corner of Waverley and Blackburn Roads, Mt Waverley 10.00am for a 10.30am start. BYO picnic, chairs and drinks.

We depart Mc Donald's taking a scenic drive through the Dandenong's to Emerald Lake Park. Our route to the Park is via Ferntree Gully, Sassafras, Olinda, and Monbulk. It should be a pleasant drive through the mountains and get us there in plenty of time for a leisurely picnic lunch.

There are some nice walks through the park for those that are more energetic and want to walk off their lunch, visit the Model Railway or have a go on the water paddle tricycles. There is a railway station for Puffing Billy in the park for those that wish to see the steam engine.

The park has two cafes for those that wish to buy lunch or ice-cream, one at the railway station and the other near the lake.

Unfortunately, we have to pay \$6.00 for parking. The parking machine will take credit cards or cash. It will not give change.

I look forward to seeing you there. If you do not think your Morrie is up to it, please come in your modern car.

For any further information please contact Mark Parritt on email markparritt@gmail.com or 0403194021.

VALE – PETER REES GABE

3rd May 1946 - 18th December 2015.

Sadly one of our Club Members, Peter Gabe, passed away on 18th December 2015 after a long battle with a health issue going back to the year 2004. The Morris Minor Car Club of Victoria was represented at his funeral by four members at a time when many were away enjoying the holiday period.

Peter has been associated for most of his life with the Vintage Drivers Club joining that club during the 1960's. He has restored numerous vintage cars and later became involved with the Dandenong Valley Historic Car Club. There was a good display of vintage cars and historic cars outside of the Springvale Chapel of Reflection from members of both clubs as well as our own Morris Minors.

The President of the Vintage Drivers Club and the Dandenong Valley Car Club both gave tributes regarding Peter about his long and valued association with their clubs.

Peter is a relatively new member with the Morris Minor Car Club of Victoria but members will remember his presentation to the club about his wonderful carousels which demonstrated the enthusiasm he showed with all of his interests.

He regularly attended meetings with his wife Chris until his illness became so extreme that his much loved activities became too much. Peter's first car was a 1948 Morris Minor which is when he gave away riding bicycles.

Peter is survived by his wife Chris, children Adele and Felicity and six grandchildren.

Peter, you are sadly missed by members of the Morris Minor Car Club of Victoria.

R.I.P.

Jeff Brumhead.

RUN REPORTS

Australia Day Parade Mornington

With an early start in preparing the ute for the parade, I was out there polishing like crazy to make her shine. It was a great drive down to Melbourne and the ute purred all the way as I headed to the starting point at Mt Waverley. Once there the group had the normal chat and found out all the latest gossip from everyone. After a few laughs we got into convoy and headed down to Mornington, a fairly uneventful drive down along the Peninsula Link until the Harpers (who were leading) decided to take us the scenic route. It was a very pretty drive following the beach. We met a larger group of fellow club members already at the Parritt's place having some afternoon tea. After having some beautiful food that people had brought along we headed out to the cars and for the starting point of the parade. All the morries drove into Mornington to assemble for the parade. At 5pm we headed along Main Street waving and honking our horns. The crowd loved it, so much that I even heard them yelling out the names of the cars along the route. Once the parade was over we all gathered in the park and enjoyed a nice bay side dinner and a chat. Once again it was a great day out and I can't wait till next year.

FOR SALE

My dad's Morris Minor series MM, a 1951 model with chassis no. 108036. I helped him do it up. It has a reconditioned 1000 gear box, no oil leaks, with a 1000 engine.

As you would probably know they came out with a side valve but this already had the 1000 fitted.

We checked the big end and small end bearings and they still had plenty of life in them so no work was done except for another clutch plate and a newish water pump. I reconditioned the SU fuel pump and the carby.

Dad paid for new alternator to be installed. It still runs original square bread box diff that is smooth and no noises, also had reconditioned master cylinder, new brake lines and brake linings and are original to the year as well. Tyres are about 3 years old. They are Geotred 175/75R/14 and have done no more than 250-300 miles.

Its club permit is paid. Interior is in great condition, the steering wheel is perfect. Car will be sold without RWC as it is on club permit and plates are not transferable. There is no rust in chassis rails or floor and the diff does not leak oil. There is a stone chip in windscreen so it probably have to be renewed to be road worthy. Any questions just ask. Located on Mornington Peninsula and inspections welcome. Cash on pick up. The car was resprayed mid-January in 2 pack.

Neil also advised meeting that the Committee had at its earlier meeting approved an increase from \$45 to \$50 for next year's postal membership which will be moved as a motion at the AGM in February 2016. (E-mail membership to remain at \$25 pa.)

Membership Officer: Before reporting on the current membership figures Barbara Urquhart acknowledged the recent deaths of members Peter Gabe, Carol Ingram and Frank Williams and former member Wayne Griffiths extending the Club's commiserations to the families concerned. Barbara then reported that at that time there were 92 financial members and that many members had yet to renew their Club membership.

CPS Officer: Wayne Cunningham indicated that unfinancial members were risking heavy fines by driving their CPS plated vehicles as they are deemed by VicRoads to be unregistered at the point that membership lapses.

Club Captain: Stewart Carr gave a brief run-down of recent Club events and mentioned future events as listed in the Generator.

Regalia Officer: Graham Harper reported all going well and plenty of regalia available for sale.

Editors Report: Graham Dines reported all going well except for slow delivery of Generator as a result of problems with the Club's database and the slower mail delivery service by Australia Post for normal postage. He indicated that as a result of that reduced mail service articles for the Generator will now need to be forwarded to him by the 26th of each month

A O M C: Jeff Brumhead, who attended the AOMC's meeting on 23 November 2015, as our Club's representative reported on the meeting's outcome and discussions including the re-election of the full Committee and the recent production of the AOMC publication detailing all significant information permit holders should know about the recently amended Club Permit Scheme. Jeff gave a detailed summary of the information and questions answered in the publication which was greatly appreciated by the members present.

National Rally: Mark Parritt advised that first meeting of sub-committee assisting in the event's planning would be held in the following week(s) and a report given at the next month's meeting.

Touring Club: (Geoff & Bev O'Donnell) Geoff indicated that all planning and bookings completed so nothing further to report.

Historian: nil

Librarian: nil

CPS Officer: Wayne Cunningham also referred to the excellent AOMC publication on the recently revised Club Permit Scheme and recommended members either purchase a copy from the Club or borrow one from the Club library.
