President`s Report July 2016

Hi All

It was great to see many club members at the Morry Muster at Albury and as usual the Albury Wodonga Club put on a great rally. The meals were good, the Saturday night raffle was great fun and the run turned into a mystery event for some of us. Many thanks to the Albury Wodonga Morris Minor Club for all the hard work they put into organizing the event. More in the run report.

Our next run is to Bridges Restaurant in Hurstbridge for the mid-year lunch, one of my favourite events of the year. If you have not booked and still wish to come, please contact Michael Dobson for a late booking on 0400 273 328. See Up Coming Events for more details. Don't forget to get your HATS ready for Braidy's hat competition. I don't know what the prize is, but if it is as good as last year's prize for the best Hawaiian shirt, it will be worth winning.

Now that winter has finally set in and it's too cold and wet to work in the garden or shed/garage, it would be a great time to have some mid-week POP-UP lunchtime runs. If you would like to arrange one, please let me know so we can get an email out to all club members. A bit of fun in the winter's sun!

The Committee have started planning for the club's 40th birthday. The MMCCV first inaugural meeting was on 16th February 1977, so the birthday celebration is planned to happen on the 19th February 2017.

We are still looking for a suitable venue and are considering having a lunch, so that we can put on a display of our cars. If you have any thoughts on a venue, please let one of the committee members know.

Keep on Morrying

Mark

Club Captain's Report July 2016

What a chilly turn in the weather this month, lucky for us we are off to "Bridges" in Hurstbridge for a lovely warm midyear lunch. We are meeting at McDonald's in Diamond Creek for a great run through the leafy outer suburbs of Melbourne. Hope to see lots of our members there.

We still need some mid-week runs to be organised for this year, so please dig deep and put your hand up, I can help you if you need a hand to organise it.

Keep On Morrying

Hurstbridge Wattle Festival

The Hurstbridge Wattle Festival is a significant cultural event for Melbournians that have their roots firmly planted in our early rail history. It's a joyous celebration of our heritage, environment and community. Festival goers view the wattles in a blaze of glory along the Diamond Creek as they approach the township of Hurstbridge. As visitors stroll the main street and the various Festival precincts, they enjoy a fabulous and extensive array of entertainment, events and activities for all the family, many of them free.

RUN REPORT

MIGHTY MORRY MUSTER at ALBURY - JUNE 11 12 13th

Several members met at the BP Servo at Wallan on the Hume Highway at 10:15am for a 10:30am departure on the Friday. We stopped for lunch at Euroa where we met up with the Geelong Club who had stopped there too. Michael and Veronica's car was giving them some overheating problems but after a quick set of the timing, they were on their way and made it to Lavington safely.

We arrived in Lavington where some booked into the Boomerang while others booked into the Big 4. After happy hour in room 16, dinner was held at the Boomerang where we met up with more members as well as members of other clubs. We also had dinner with Sue & Dennis Smith who were former members now living at Bandiana.

On Saturday morning, we went to the North Albury Sports Club to register and to have morning tea then at 12 o'clock we went into Albury and had a Static Display at the Hovell Tree Park (this is where the nationals were held).

We locked the cars up and went to the Commercial Club Albury in Dean St for lunch. We rearranged the furniture and made a huge table for us all.

Saturday night was at the Jindera hall where we had a lovely 2 course meal as well as a mammoth raffle.

Dinner at Jindera

Cathy with the Golli

The stage was full of raffle prizes and when your ticket came out you picked a prize, unwrapped it, showing it to everyone and displaying it on your table.

Then the next ticket was drawn out and that person could pick one from the stage or claim the prize you had won.

If they picked your prize then you picked another from the stage. It all went along ok until a hand-knitted Golliwog was picked from the stage and everyone was after him.

Then a bucket of car cleaning products was picked and that was passed around a lot too.

After one hour and a half of being dragged from person to person Golli was finally won and promptly given away to Rhonda Brumhead.

Getting ready for the run to Yackandandah

Sunday morning we set off on our run in convoy to Yackandandah where we had morning tea and a look around, then on to Stanley. At Yackandandah we met up with Bob and Judi McGrath formerly of Rusty Springs fame at Avenel now residing at Broadford. They were there with a Jaguar club.

After some confusion with the instructions some met at Beechworth with some travelling through Stanley via a very rough fire track.

Then all we headed off to Chiltern for Lunch at “HUB 62 Cafe” which is a new café in the converted Chiltern Masonic Hall.

Cars arriving at Chiltern

Lunch at the Hub 62 Café

After a delicious lunch, we made our own way back to Albury and freshened up for the Sunday Night Dinner at North Albury Sports Club, where once again we had a lovely meal.

On the way to the dinner, a certain little blue convertible met with an accident at the lights on the corner of Wagga Rd and Union Rd Lavington. A car had entered the intersection and got stuck when the lights went red so he decided to back up. Unfortunately he didn't see Baby Blue sitting there or hear the blaring horn consequently his towbar did about \$3000 damage to the front.

Everyone received a ticket on arrival and the winners were presented with pieces of art. Some were paintings and some were framed photos from the Nationals.

Sad way to end the Muster

Back at the Boomerang after the dinner, work commenced making Baby Blue driveable. Lots of panel beating to get the radiator back off the engine block which was successful.

Monday morning breakfast was at McDonalds which was in walking distance of the Boomerang and after a lot of hugs and kisses and farewells it was time for some to head off home.

Sue Caulfield and her energetic club members did a great job to entertain us all once again.

Barbara & Ken, Lesley & Graham and Ann & John were some who opted to remain for an extra day and they visited Bill, young Bill and Dorothy Littlehales as Bill rests at home after getting out of hospital.

Attendees

Barbara & Ken Urquhart, Mark Parritt, Lesley & Graham Dines, John & Ann Druery, Percy & Cheryl Scicluna, Rob & Trish Smith, Ross & Ann Carr, Michael & Veronica Dobson, Graham & Rosalee Harper, Bruce Kerr & Ann Rasmussen, Jeff, Gladys & Rhonda Brumhead, Jeff & Julie Stanyer, Kelvin & Jo Hawkesworth, Tim Lengyel & Cathy Emery .

We also met Judi & Bob McGrath at Yackandandah (touring with the Jaguar Club), and Robert & Kerieann Mackie (life members) who joined us for lunch at Chiltern.

HELD AT THE HORRIE WATSON HALL, DEEPDENE ON THURS 9 JUNE, 2016**

Present:- President, Mark Parritt, Vice-President, Braidy Davies, Secretary, Michael Dobson; Membership, Barbara Urquhart; Club Captain, Stewart Carr, Treasurer, Neil Cheney

The President welcomed the members present and opened the meeting at 8.05m.

Apologies: Editor, Graham and Lesley Dines (standing apology); Regalia, Graham Harper, Club Historian, Jim Gourlay, Rosie Harper, CPS Officer, Wayne Cunningham, Lyn Waites, Cheryl Scicluna, Sue Parritt, Bruce Kerr, Trish Smith, Veronica Dobson, Tim Lengyel.

Attendance: Approx 28 members were present at the meeting as recorded in the attendance book

Visitors and New Members nil

Minutes of the previous Meeting accepted on the motion of Henry Edwards seconded Ross Carr

President's Report Mark indicated as per the Generator and advised of enquiries made re Leigh Smith memorial plaque

Vice President's Report nil

Secretary's Report Secretary indicated nothing to report except for RACV letter encouraging members to submit " Me and My Car" stories for publishing in Royal Auto Magazine

Treasurer's Report: Neil reported a current balance of \$6,684.78 and a term deposit balance of \$8602.88 giving a combined total of \$15,287.66 for the Club's financial assets. He also indicated term deposit shortly to be re-invested for 6 months (a shorter period as funds need to be available for 40th anniversary celebrations in Feb 2017).

Membership Officer. Barbara reported 162 current financial members (124 e-mail and 38 postal) and 82 CPS vehicles

Club Captain: Stewart gave a brief run-down of recent Club events and mentioned future events as listed in the Generator including mid-year lunch at Bridges Restaurant at Hurstbridge on Sun 17th July preceded by short run from Diamond Creek. Michael advised members of menu choice and asked for advice of special dietary requirements. (Committee has subsequently decided to offer members driving their CPS vehicles on the run a chance of a prize and having their vehicle displayed prominently in front of the restaurant main entrance with photo appearing in following Generator). Stewart also advised that Graham Harper had found a suitable venue at Hurstbridge for the proposed vehicle Motorkhana in October subject to Council check. Proposed Port Fairy trip in August to be withdrawn as a Club event due to the unavailability of members this year but will be planned for again next year.

Regalia. Mark indicated that Graham reported all going well and plenty of regalia available for sale

Editors Report; Mark indicated that Graham Dines had also reported all going well.

A O M C- Stewart mentioned a number of CPS topics discussed at recent AOMC meeting by VicRoads officers including whether motorhomes should be included in the scheme in future

Touring Club: (Geoff & Bev O'Donnell): Geoff indicated nothing further to report.

Historian nil

Librarian nil except to advise of interesting article on the fitting of head linings to MM's

CPS Officer. In Wayne's absence mention made of Seminar to be held at the Seymour Club on 13th August mainly on CPS matters including new regulations and M plate and H plate transfers. From 8 June Police can access CPS on their database so members advised to keep their CPS receipt in case VicRoads have no record as has occurred on a number occasions.

GENERAL BUSINESS.

1 40th Anniversary Lunch to be held on 19th February, 2017. Mark is currently seeking suitable venues and would like member suggestions.

2 Scout Mechanics Weekend Ross Carr reported that event was again very successful and thanked Mark Parritt, Rob Smith and Henry Edwards for their assistance and valuable experience shared with the young participants over the weekend.

3 Barbara distributed a photo of a MM from member Toby Morgan enquiring whether anyone knew of the car and original owner details.

Tips and Hints

1 Ken advised of the suppliers he had unsuccessfully approached to obtain a replacement muffler for his MM 1000 culminating in a suitable replacement muffler from "The Muffler Man" in Malvern Road, Malvern who he said also has a lot of muffler parts for Morris Majors.

2 Mark mentioned starting problems with MM "Muriel" resulting in fitting of new distributor condenser which seemed to have fixed problem and Jeff alerted members to cheap condensers from China which proved to be faulty.

For Sale / Parts

A brand new water pump offered for sale by David St George was promptly sold at the meeting.

Presentation/Guest Speaker

Ann Druery presented a very interesting and enjoyable "Power Point" feature on past Club events to the applause of all members

There being no further business

The Meeting closed at 9pm after the drawing of the raffle (Thanks to Percy)

MIDEAST Vintage & Classic Car Radiators Australia.

We are a car radiator specialist in Nunawading Melbourne, we specialize in classic cars with Dominic and Paul have been repairing and rebuilding classic car radiators since they were 17 years of age. Phone Contact 1300123488

Vintage cars are something to be proud of. Surviving the test of time, vintage cars and classic cars especially if still operating, provide a glimpse into the past, a kind of time machine. But if your vintage car or classic car is not operating the way that it is supposed to, finding parts and repairs for it can be stressful and exhausting.

Because vintage and classic cars are no longer produced, finding car parts for vintage cars or classic cars can be very challenging. If you are the owner of a vintage or classic car and are in search of a vintage car radiator or classic car radiator in Australia, then Vintage Car Radiators can offer you a range of vintage car radiators as well classic car radiators.

Our Vintage Car Radiator Service can provide your vintage car with the right vintage car radiators as well our Vintage Car Radiator services are available should your vintage or classic car require radiator repairs or servicing, to ensure your prized possession gets running again.

TECHNICAL TIPS

The fuel pump

The Minor has a reputation for having an unreliable fuel pump. This is somewhat exaggerated, but still it is worth a little preventative maintenance so here is a guide.

If you are new to maintenance, I advise you to obtain a scrap pump from your friendly scrapyards. This saves any problems if you can't get it back together for Monday morning. It also gives you a spare ready for use. If you want to replace the pump rather than service it then just follow the relevant bits below.

STEP BY STEP GUIDE

Difficulty 4/10

Cost \$70 to fit a new pump

Tools and Parts

Spanners

Screwdriver

New points for pump

Possibly a new diaphragm

(New pump if replacing)

- 1** Disconnect the battery. The pump is situated on the right of it and is easy to remove. The small knurled nut on the end is removed with finger pressure.
- 2** Undo the nuts on the two unions which allow the fuel in and out. These can be troublesome. If they begin to turn but offer increased resistance, the pipe is jammed on the nut. Use WD-40 and work the union back and forth until it frees off. Alternatively the union which screws into the pump body may be turning with the nut. If so, hold it with another spanner while turning the nut. If you twist the pipe off you are in trouble.
- 3** Undo the two bolts that hold the pump on to the bodywork. These are accessed from the battery compartment and do not give problems.
- 4** You now have a pump in your hand. Allow any petrol inside to drain away and then soak the six screws on the main housing in WD-40. Leave it for ten minutes while it soaks in.
- 5** Meanwhile, remove the black end cap by undoing the single brass nut which retains it. This reveals the switch mechanism that gives all the trouble.
- 6** Once the WD-40 has done its stuff, undo the six screws on the main housing. It is now possible to remove the metal end section, which is known as the pump body. This is in two halves. Remove both parts to see the diaphragm that actually pumps the fuel. By pushing firmly in the centre of this diaphragm you can make the switch flick on and off.
- 7** Peel the diaphragm off the cylindrical housing and slowly unscrew it. Note that it is made up of several layers. Make sure you do not separate them. There is a long rod which goes right through the unit to operate the switch. After about 20 turns the diaphragm will come free. Check it for splits or tears - if it has any, a replacement is easily available.
- 8** Now undo the two small bolts that retain the end plastic housing and remove the switch by sliding the pin out. Be gentle as the black plastic legs are easily broken. Some replacement points are fitted with double contacts to increase reliability.
