Thankyou,

Rob Smith, Editor.

This Month we welcome some special guests. The Southern Cross Search Dogs and their trainer are going to attend our meeting and tell us a bit about the volunteer work they do.

Southern Cross Search Dogs

"In dogs we trust, so that others may live"

Southern Cross Search Dogs (SCSD) is a volunteer not-for-profit organisation to service the needs of the Australian Urban Search and Rescue (USAR) Task Forces by providing canine USAR capabilities to find survivors in the event of building collapse.

This is Banjo at the wheel of a borrowed Morrie contemplating his next rescue whilst pondering his pending visit to our club. As you can see by his jacket, Banjo is a member of the Urban Search & Rescue K9 unit.

President's Report

One month as President and life hasn't changed all that much. We did a big trip in the Morry to Hamilton for the Queen's Birthday weekend which was terrific (more in the run report). Everyone should pencil it in for next year. I have taken some notes that I hope to use at the National Rally - the number of volunteers was impressive. My friends who came are still talking about it and will have their hotted up Jag there next year.

I am taking my presidential duties seriously by attending a seminar run by the AOMC (the governing body of all car clubs) on how to have a good car club. This club is in great shape compared with some of the others so there is very little to improve. One area we can do better is the use of social media namely Facebook so keep an eye on that. The seminar was held at the clubrooms at the Jaguar and Austin Healey car club rooms which are very nice. There's a bar, a lounge area with a fire and a large meeting area and a car park. Envious? You bet.

I neglected to mention at the last meeting that Graham Dines won the Club Person of the Year award due to all his work on the Generator, his presence at most runs, running the Facebook page and general support of all things Morris. Should he turn up to a meeting he may be presented with the award! Perhaps at the 'Christmas in July' lunch?

Next meeting, we are trying something different and having a talk by a trainer of search dogs, with a couple of dogs in attendance. I'm trying very hard to think of the connection between Morris Minors and Urban Search and Rescue dogs, but I can't. Still it should be really interesting.

See you there

Braidy Davies

Editor's Note

We are changing the general look and layout of The Generator.

As this is a Work-In-Progress, things will look a little messy in places but over time the necessary changes will be made and it should all come together eventually.

Please let me know if you find any important mistakes or omissions.

We thank you for your anticipated patience.

National Rally Progress Report July 2017

Morris Minor 18th National Rally & Day of the Morris Minor November 17th-19th 2017. July Update.

Hi All,

The planning for the National Rally / DOMM is going well. We have been advised that a sizable number of Rally participants will be attending the Friday night dinner in Bendigo. It should be a great night out with a chance to meet up with Morrie friends, old and new. If you are still thinking of coming to the dinner, please fill in the Friday night section of Bulletin No 4 and return it to Richard McKellar ASAP. If you have not received Bulletin No 4 and would like one, please contact me and I will send it to you. The venue for the dinner has now been decided - All Seasons Resort in Bendigo.

I have recently visited the Caribbean Gardens to attend the BMC Leyland car show and to check out the site for the National Rally. We will have the same site as used previously for the DOMM, which is the park area adjacent to the food court. There have been several upgrades to the Market and it is now larger, with a greater variety of stalls. The undercover food court area has also been refurbished, and has a wide variety of food for sale.

All looks good for a great Rally.

If you require further information about the National Rally please contact me on...

Mobile 0403 194 021 or email markparritt@gmail.com

Please note I will be away overseas from July 8th until August 17th and so, for urgent inquiries please email...

Richard McKellar at rmdesign5@bigpond.com

Look forward to seeing you all there.

Mark Parritt.

Please think of an additional run you would like to do this year.

Consider the following suggestion...

Impromptu Runs or Pop-up Runs on a week day

The Committee would like to encourage members to welcome other members to join them on their private morrie runs during the week, or whenever, to increase social interaction of members in-between Club meetings and the monthly weekend runs. This has been difficult to arrange previously when relying on either the Generator or the monthly meeting to broadcast run arrangements but with almost everyone on the internet these days it should be possible to get this happening immediately following the simple procedure outlined below.

As soon as you have a run in mind, preferably at least with 48 hours' notice, send an email to the Editor headed " Pop-up Run" giving details of date, time & place of meeting, (McDonalds are good mustering places for coffee and initial toilet visit) and details of intended destination and suggestions of BYO food or café etc. and your name and mobile phone number. The Editor will then immediately forward your e-mail to all Club members listed on the Club database. All you have to do then is turn up at the selected meeting point by the appointed time and a good time can be had by all. Feedback to the Club via any of the Committee members would be appreciated after such runs or at the next Club meeting. Please note that Pop-up runs are not intended to replace the monthly weekend run but be an additional Club activity.

Run Report - The Hamilton & District V V & C Drivers Club – Ruby Rally 2017

Rally Run Dates - June 9th to June 12th

The Hamilton Club must be heartily congratulated for such an enjoyable, friendly and well organised rally, particularly it being their 40th, and based on their well proven formula, initiated by the Club's original members, was once more a very successful one.

Day 1: Friday the 9th – by Michael Dobson

The Smiths, the Dobsons & the Harpers met up with the Dines and the Druerys at the Rockbank BP servo around 10:30am for the obligatory coffee and toilet break and then departed for the Ballarat Beechworth Bakery at a little after 11am where we caught up with Wayne & Lyn and the Sciclunas over lunch, and a little later with Bruce Kerr and Ann Rasmussen on the outskirts of town where we fueled up before hitting the road in a convoy of eight vehicles around 1:30pm. The convoy consisted of seven MMs and a 'would be MM' campervan which bore a remarkable likeness to a Toyota Hi-Ace. With Bruce Kerr's local knowledge of the area he led us on a very beautiful and isolated back route to Hamilton through some great countryside with very little traffic. As usual there was quite a bit of frivolity and laughter over the radio as we drove along, which added to the enjoyment of the trip (thanks to DJ's Ann, Wayne and Graham Dines). My campervan named "Diesel Boy" (not to be confused with "Diesel Boy Harper") came in for a fair bit of ribbing, referred to by some as "Love Machine", "Yellow Submarine", or simply "Smokey". All good fun. We finally arrived at the Hamilton Riverside Caravan Park around 4:30pm and, after checking in, a 'happy hour' was had by all the MMCCV crowd, which split into two groups due to cramped cabin space. After some drinks and much laughter, we all put down our glasses and departed for a 7pm meal at the Grand Central Hotel. We sat at a large table together with four other very friendly Morrie owners, MMCCV members Bob & Julie McGrath (ex "Rusty Springs" now living in Broadford) and Southern Peninsula Classic & Historic Club members Paul & Christine Lucas. Both couples had well restored MM vans. Bob & Julie put a smile on people's faces with their van adorned with murals and lettering advertising the "Broadford Surf Club". To complete the picture, they had two surfboards strapped to the roof. With a full day of driving and socialising, I am sure we all would have slept well that night, I know Veronica and I did regardless of our van's description by some!

Day 2: Saturday the 10th – by Michael Dobson.

In the morning around 10am we registered at Rally HQ in the Hamilton Entertainment and Convention Centre at the Showgrounds and enjoyed a great morning tea and lunch provided by the Hamilton Club before setting out on a most interesting and enjoyable 50km run to Coleraine leaving the Showgrounds at 1:30pm. Between our eating activities and departure, we all greatly enjoyed an inspection of so many interesting cars (over 130) dating back to 1913. The run to Coleraine went through breathtaking and often steep countryside which most people would normally not have had the opportunity to visit and the Hamilton Club is to be congratulated for its choice of route and meticulous organisation including marshals who directed us at every turn on the route. Coleraine had many places of interest including an old blacksmith shop, Glenelg Fine Chocolates, antique shops and historic railway station etc. On our return, we enjoyed a happy hour at Rally HQ and then a fine two course meal

and an official welcome from the Hamilton Club officials which included interesting details of the Club's history, before heading home for a welcome sleep after another enjoyable day.

Day 3: Sunday the 11th – by Rob Smith.

On a somewhat chilly Sunday morning, around 9am, we gathered at Rally HQ for a warming cuppa. By 10am we were ready to set off on our run to Narrapumelap Homestead at Wickliffe, some 78k East of Hamilton.

The drive took us along some back roads and through some beautiful country of rolling hills, salt lakes, wildlife bird reserves and wetlands which are home to various ducks and birds etc. In the distance, we had a great view of the Grampians stretched out along the skyline. We passed through several small townships with their usual smattering of old hotels, shops and houses. The whole scenario was one of peace and tranquility wrapped in a blanket of lush green, beautiful country indeed.

We reached the homestead about lunchtime and were greeted by our host and owner Kevin McIntyre who, after inviting us to gather on the lawn in front of the building, gave us a rundown of the mansion's history and what he was doing to bring the place back to something of its former glory as it had suffered substantial damage due to vandalism. He has great plans for this work and will only need to live a further 100 years or so to see it all done.

Following the talk, we were invited to a lunch of sandwiches, cake, coffee etc. which was consumed sitting around the lawns and gardens surrounding the house. After lunch, we were invited to wander through the house and grounds and to observe the ongoing restoration work, study the plans and talk to Kevin about the work. It must have been a magnificent sight in its heyday and Kevin is striving to make it so again.

Having completed the inspection we all made our own way back to Hamilton via a different route which took us through more towns and splendid scenery. It was a great day out, beautifully organised and executed by our hosts, the Hamilton & District Veteran, Vintage & Classic Drivers Club.

The day was capped off by the 'Ruby Rally Dinner' that evening, it being the 40th anniversary of the Rally. Everyone attending the dinner had been encouraged to wear 'something red' and they certainly did. The dining hall was ablaze with red clothing and paraphernalia with some very creative costumes. After the dining was over and various trophies and awards handed out (two of which went to our club members; see details elsewhere), the dance floor was cleared, the Dynamic DJ did his stuff, and some very lively dancing ensued. It was a great finish to a great day.

Day 4: Monday the 12th – by Braidie Davies.

This was the quiet day as everyone prepared to leave for home but there were still a couple of surprises in store for us. There was a brunch organised at the club rooms which were the first surprise. They have a fantastic space where they can hold comfortable warm meetings as well as a display area which would fit several cars. Only a hoist would make it better. This is on the land occupied by the Pastoral Museum which was the second surprise of the morning. It's a huge area with multiple buildings containing a various collection of items from the saw room to the wood turning room, from a cosy cottage with the wood fire heat going to the police cell, from industrial threshing machines three stories high, to the hand pump vacuum cleaner. I'm always a sucker for a barbed wire collection and there was my first spark plug collection as well - what a beaut museum!

As far as I know we all made it home safely after a really well organised, entertaining and thoroughly enjoyable long weekend. Book it in for next year!

Members attending the rally were: Braidy Davies & Peter Walker – Rob & Trish Smith – Michael & Veronica Dobson – Graham & Rosalee Harper – Graham & Lesley Dines – John & Ann Druery – Percy & Cheryl Scicluna – Wayne Cunningham & Lyn Waites – Bruce Kerr & Ann Rasmussen – Bob & Judi McGrath -
