President`s Report June 2016

Hi all

May was a very busy month for our car club, however I managed to attend all three runs!

Many thanks to Graham Dines for arranging the trip to the Healey Factory, where we had an informative talk on the process of professional restoration. We also had the opportunity to wander through the showroom to drool over the wonderful collection of classic cars. If only I had the money!

The next run was to the Cavalcade of Transport held at Mornington racecourse - a great day out as the weather was superb. We had a good turnout for our display, there were also hundreds of beautiful classic and vintage cars to look at. Having the time to sit in the sun and catch up with everyone was great!

The final run for May was up to Clifford Park to assist Ross and Ann Carr with Scout Mechanics Weekend, a great incentive by the Scout Association to teach young people the basics of how a car engine works and how to change a flat tyre. Many thanks to Ann for the enjoyable morning and afternoon teas.

More on the runs in the run reports.

This month it's off to the Mighty Morry Muster at Albury. I believe we have a good number of club members attending so it should be a good weekend. I'm really looking forward to it as I haven't been able to attend for several years. Unfortunately, Sue can't come with me as she is giving a talk that weekend about her recently published book, *Pia & the Skyman*, a sequel to her first book *Sannah and the Pilgrim*.

The midyear lunch is not far off - Sunday 17th July, so if you are going please pay the treasurer by the end of June. (\$25.00 per head.). Don't forget Braidy's Hat competition.

We have been advised by the AOMC that the CPS database will be visible to police as of June 8th 2016, although there are no immediate plans to integrate the CPS database with the registered vehicle database. Wayne Cunningham, our CPS officer, has at last received a list from Vic Roads of all the vehicles registered with our club on the Club Permit Scheme. It made very interesting reading! Wayne found 4 vehicles missing from our CPS list and 2 listed that are not club vehicles. Wayne has notified Vic Roads and they are making the necessary changes.

Please remember that it is the vehicles owner's responsibility to pay their CPS renewal on time even if Vic Roads do not send them a renewal notice.

It is also recommended that a copy of the payment receipt is kept with the logbook - the stamp in the logbook is not considered proof of payment. Failure to pay your registration on time can lead to a heavy fine for driving what Vic Roads consider an unregistered vehicle and you may need to obtain a roadworthy before applying for a new CPS permit.

I look forward to see you all at the next meeting or run

Keep on Morrying

Mark

Club Captain's Report June 2016

Hi everyone,

It was great to see all those that attended the runs in May, I'm sure everyone had a great time.

This month we are off to the Mighty Morry Muster in Albury, it is a great weekend away running only second to the National Rally. People come from all over to meet up and enjoy this great event.

Don't forget to book your spot to go to the mid-year lunch at Bridges Restaurant in Hurstbridge. You need to pay by the end of June. All details are in the Generator.

Finally I would like some members to organise mid-week runs as we do not have any in the calendar for the rest of the year. If you have some ideas and need a helping hand please contact me.

Keep On Morrying

Hurstbridge Wattle Festival

The Hurstbridge Wattle Festival is a significant cultural event for Melbournians that have their roots firmly planted in our early rail history. It's a joyous celebration of our heritage, environment and community. Festival goers view the wattles in a blaze of glory along the Diamond Creek as they approach the township of Hurstbridge. As visitors stroll the main street and the various Festival precincts, they enjoy a fabulous and extensive array of entertainment, events and activities for all the family, many of them free.

RUN REPORTS

On Wednesday the 11th May, 41 members and friends attended a tour of the Healey Factory who are Classic Sportscar Specialists.

The guided tour took us all over the whole of the Healey Factory and showrooms. We moved through the various departments including the paint shop, panel beating and fabrication area, mechanical repair and restoration shop. Most agreed that the paint shop was very informative and the fabrication area was fantastic especially the young guide who is such a talented craftsman. It was great to see that these skills are not lost even his use of the English wheel and ability to lead wipe.

We saw an amazing array of classic sports cars including Austin Healy's, Austin's, Mini's MG's, Triumph's, Elfin's, Porsche, Jaguar's, Ferrari's and many many more.

Members who attended: Mal Baker, Jeff Brumhead, Noel Brumley, Ruary Bucknall, Stewart Carr, Wayne Cunningham, Leon Deutsch, Graham and Lesley Dines, Henry Edwards, Colin Files, Jim Gourlay, Graham Harper, Kate and Brendan Hutson, Peter Jackson, Ed James, Bruce Kerr, Garry and Joyce Kerr, Geoff Kirkham, Ian Kuhne, Tim Lengyel, Brian Levey, Richard McKellar, Geoff and Bev O'Donnell, Mark Parritt, Phil Plumbe, Ken and Barbara Urquhart and Leanne Worley. (My apologies if I missed anyone.)

Cavalcade of Transport – 15/05/2016

Hi All

On a beautiful sunny autumn morning, Michael Dobson and I set off from my house to drive to the short distance to Mornington Racecourse. It was a good thing we got to the venue early, as the display area started to fill up quickly. Soon we were joined by Jeremy, Daryl and Sam, which was great as we needed a hand putting up the pergola and keeping parking spaces for the Morris Minors coming down from Melbourne. We had a great position.

Once the convoy from Melbourne arrived, we had ten Morris Minors on display. Eight of the cars were from our club, with two from other car clubs. Morning tea was next on the agenda.

I estimate there were approximately 300 cars on display with an enormous variety of makes - classic, veteran and vintage. It was very pleasant wandering around in the sunshine looking at the cars and chatting with some of the owners.

We Morrians came back to our display area for lunch, most enjoyable sitting in the warm sunshine and catching up with one another. A number of past club members who had come to see the vehicles, also joined us for a chat. At about 2.00 it was time to pack up and head for home.

Many thanks to those who attended this most enjoyable run.

Cheers.

Mark

Attendees: Daryl Coffey & Sam, Jeremy Rodseth, Mark Parritt, Michael Dobson, Henry Edwards, Graham Harper, Rob & Trish Smith, Kate & Brendan Hutson, Jim & Helen Gourlay and Alan & Marie Turner from the SPCHCC club (past members of the MMCCV)

Clifford Park Scout Mechanics Weekend 21st – 22nd May

What a great 2 days we had at Clifford Park Scout Camp, Wonga Park. We hosted over the 2 days 60 Scouts both boys and girls between the age of 11 to 15 years of age who came to visit our workshop in groups of 12. We showed them how to use a lifting device such as a chain block to lift an engine which they all had a turn, we also showed them how to use different hand tools, spanners sockets screwdrivers pliers and lots of others as well, some of which they used during their time in the workshop. With the help of fellow Morris Minor Car Club Members, Mark Parritt, Henry Edwards, Rob Smith and myself Ross Carr. The Scouts were shown 2 Morris Minor sedans and the difference in 2 engines of the cars on display. We were able to show them a dismantled engine and also pull apart a complete engine to show the moving parts and how they go together. In another area of the workshop we taught Scouts how to change a flat tyre on a trailer, making them use all the tools a motorist would use when having to do this without help from other agencies such as RACV etc. We had help with a trolley jack but showed them the type of jack supplied in today's cars as well as the just useable wheel wrench supplied, demonstrated long levers to gain strength advantage when undoing nuts and bolts etc. At the final parade the Scouts told us that they had gained valuable knowledge over the whole weekend. I must say that in another workshop Scouts had a turn at doing blacksmithing using 2 forges and did welding as well over the weekend. Other activities that were done at the camp, were crate stacking, archery, aluminium rubbing, these were done as fill ins as space in workshops was limited due to space provided and chance of injury. Occupational health and safety was made a big part of being able to participate in these more dangerous workshops. Ann Carr kept us happy and fed with morning and afternoon teas and also did first aid. No adults

needed first aid and only for minor injuries with Scouts. Lunches both days were provided by the Scout Association in the main dining area.

Thanks again to the for mentioned Car Club Members who helped me to run the mechanics part of this camp, as these youth members of Scouts may become car club members in the future or gain an interest in trade training to keep our cars on the road in the later years.

Just for your interest the Scouts came to the camp from the following Scout Groups, Korumburra, Pakenham- Lakeside, Heathmont, Mont Albert North, Greensborough, Doncaster East, and Balnarring.

Notice of Motion

Pursuant to Rule 77 of the Rules of the MMCCV Inc, notice is formally given for the following motion to be put to the membership at the regular meeting of the club on Thursday 11 August 2016.

“That Rule 3 of the Rules of the MMCCV Inc. be amended to read *“The financial year of the Association is each period of 12 months ending on 30 March”* and that such amendment will take effect upon acceptance by the Registrar of Incorporated Associations”

Proposed by Neil Cheney – Treasurer MMCCV Inc.

Seconded by Wayne Cunningham – CPS Officer MMCCV Inc.

Explanatory note – This motion will significantly streamline the financial dealings of the MMCCV Inc. by reducing the impact of the Christmas/New Year period on membership fee collection as well as our auditing requirements. The acceptance of this motion will also require other changes in the administration of the club, specifically the legislative requirement to hold the AGM within five months of the end of the financial period. To assist in the transition to the new arrangements the current financial period, which is due to expire on 31 December 2016, will be extended until 30 April 2017. No additional membership fees will be incurred for the added three month period.

This motion has the unanimous support of the Committee of Management.

President's Report. Mark indicated as per the Generator and briefly referred to earlier Committee discussion regarding the Leigh Smith memorial plaque.

Vice President's Report nil

Secretary's Report The Secretary advised the meeting of the following items which he indicated he would display after the meeting for the members perusal and list in the Generator: (a) newsletters from the AOMC and the National Motor Racing Museum (b) advertising material for the following events: Shepparton's Annual Heritage Weekend on 3&4 September (contact Ph 58232500) and on-going Bathurst Legend Car Display at Shepparton Motor Museum. He also mentioned his follow up of Jeff Brumhead's query regarding correspondence enclosing free tickets to the raceway and the recent receipt of same.

Treasurer's Report: Neil reported a current balance of \$6601.97 and a term deposit balance of \$8602.88 giving a combined total of \$15,204.85 for the Club's financial assets. Neil then mentioned that Committee had earlier decided to re-invest the term deposit for just 6 months in view of the potential additional expenditure in relation to next year's 40th Anniversary dinner.

Membership Officer: In Barbara's absence, Mark advised that at the earlier Committee meeting Barbara had reported the membership figures of 161 members (123 e-mail and 38 postal) and approx. 83 CPS vehicles.. Mark also reported Ken's recent passing his driving test following his stroke, news greatly applauded by all present.

Club Captain: Stewart gave a brief run-down of recent Club events and mentioned future events as listed in the Generator including the mid-year lunch on Sun 17th July (see General Business for details). Stewart also extended the Club's appreciation to Graham Dines for organising the recent visit to the Healey factory.

Regalia: Graham reported all going well and plenty of regalia available for sale.

Editors Report; Mark advised that Graham reported all going well.

A O M C- Mention was made of an article in the AOMC magazine concerning the reporting of offending CPS vehicle owners.

National Rally Touring Club: (Geoff & Bev O'Donnell): All planning and bookings completed for SA trip so nothing further to report
