Vale LEIGH RODNEY SMITH - 13.9.1958 to 29.5.2013

Much loved son of Beth and Ian (dec 2010).

Loving brother of Kathy-Anne, Craig, Jenni and Alan.

Brother-in-law of Brendan, Ron and Anne. Much loved uncle and friend to many.

Leigh joined the MMCCV in 2008 and he had a passion for cars especially Morris Minors and his BMW (LRS-111).

When he passed away, Leigh had two morries, a 1953 4 door Hi Light he called Mavis (LRS-222) and a Traveller called "Trev the Traveller".

Trev was a recent addition to his stable as he had only purchased it in South Australia as a Christmas present to himself in December last year.

Percy and Cheryl Scicluna had a great friendship with Leigh. Percy flew to Adelaide with Leigh last year to inspect "Trev" and on Percy's recommendation, he bought it. They then spent many hours together getting him roadworthy. They also worked many hours on Leigh's other Morry "Mavis" along with Leigh's friend Shane. They got her to a standard where "Mavis" had won several awards.

Leigh attended club meetings when he could and loved going on runs and rallies and weekends away especially the Mighty Morry Musters at Albury Wodonga. He is well remembered at the Rusty Springs weekend where he came dressed as a Policeman to keep us all in line.

He will be sadly missed

RUN REPORTS

OH YEA OH YEA OH YEA AND BONNIE DOON RUN May 18th & 19th 2013

DAY 1

4 cars with 8 people set out on Saturday morning for the township of Yea. On the way we detoured to Kinglake to the property of Veronica and Michael Dobson's son, to have a look at the reconstruction in progress of his new home, as the old one had been destroyed in the bush fires. What a mammoth job he has taken on, and speaking of mammoth, you should have seen his carport, it was big enough to park a fleet of buses, or a ship load (yes I said ship), of Morrisies. Whilst we were there it started to rain and a heavy mist started to surround us, so we thought it a good time to move on.

As we got a bit further up the road the weather improved, and we could enjoy the lovely scenery with its intermittent splashes of autumn colour, babbling brooks, and tall gums. It really is a pretty drive through there to Yea. When we arrived at Yea, it was decided to have a picnic lunch and then move onto the Kerrisdale mountain train, which is only about 13km away. A quick phone call to see if it was still running on Saturday, put an end to our great idea, as they informed us that they were expecting a big bus group, and that meant, no room for us. Change of plan, head for the Motel, book in, and then check out what the town had to offer. After a good walk, and some purchasing (must keep these towns in business), it was time for a coffee, where we all ended up doing the usual, lots of talking, joking, especially Michael, and plenty of laughing. Somehow during all this chatter, we got into a discussion about Ken's underpants. Now my son always says, "Too much information given about certain things can't ever be forgotten". I now know what he means, as it has been branded into my brain for ever, this vision of Ken's underdacks, and I didn't even see them.

Next stop was a walk around The Wetlands. Just as we arrived, John and Ann Druery turned up, so now we numbered 10. A leisurely, but noisy walk was had by all, but the only birds we saw were Bell Birds, and Cockatoos, no wetland birds, was it the lack of water, or the loud chatter? Graham Harper said all he could see were a lot of Galahs, cheeky man. Some very unusual trees had our group intrigued, I think they were the variety known as, Eucalyptusboobyalla, very large with bulging white trunks, really spectacular.

We arrived back at the Motel, and were surprised to see Lesley and Graham Dines, who had another commitment with their Lodge on the same weekend. They told us about a wonderful train ride they had just been on, you guessed it, The Kerrisdale Train. Any wonder, there were no seats left for us, never mind, because Graham has PROMISED us, that he is going to organise a club run there another time. By this time, everyone was ready for pre-dinner drinks and munchies, which ended up with more laughing, joking (Michael again), and chatting. Oh boy, what a lot of noise. Poor Rosalee tried getting us to do a quiz, but everyone was being too rowdy. By this time we almost forgot it was time to head off for dinner, which we had at The Royal Mail Hotel. Very nice place indeed, modern interior, open fire, great food, and not one person left a scrap of food on their plate, so it must have been good.

DAY 2

Sunday morning was nice and sunny, so Percy and I decided to go for a walk around the back streets of the town, whilst we waited for the others to emerge from their rooms. When we arrived back we found them sitting outside also enjoying the sunshine, but suffering from caffeine withdrawals, so off to the bakery for a coffee fix. As we were finishing, Malcolm and Margaret arrived, then Sue and Mark, and parked down the street, was Sonya and family, and her brother Adam, who has just joined our club. Sonya used to be a member of our club some years ago, in fact she was president back in 1992. It was really great that they decided to tag along with us for the day, hope they come again.

It was a leisurely drive as we headed for Bonnie Doon, and then onto a road that wound its way like a snake, around the edge of the lake. Then we drove into a property and up the drive, where we were met by a chap, with a white beard, and clothed in a white Arabian Sheik outfit. This was Grahame, the owner and builder of a very quirky, interesting, and intriguing, part modern, part medieval, part cave, but wonderful house.

Graham and his wife Robyn made us all very welcome, with a tour of their home, which is made of recycled materials. Under our feet, was a beautiful, smooth, shiny floor, made from old red gum sleepers. The walls were reclaimed bricks, and the cupboard doors from fence palings, which had been dressed and stained. But

the part that had every one intrigued was the ceiling; it looked just like a cave, minus the stalactites. Every window had a view which looked out across the lake. It would be really tough living there, NOT!

A Bar B Q for lunch was the choice for most of us, with salads and Turkish bread supplied by Robyn and Grahame, which was very generous of them. After everyone had had their fill of food, and lovely views from the veranda, there was a thank you and a presentation of a gift for our two hosts, then it was time for all, to make their way home.

Many thanks to Graham and Rosalee Harper for organising the trip, lots of fun and laughs was had by most of us, which is always good for the soul, and thank you to all the members who attended.

Barbara & Ken Urquhart, Rosalee & Graham Harper, Veronica & Michael Dobson, Ann & John Druery, Mark & Sue Parritt, Malcolm & Margaret Baker, Adam Kenner, Sonya, Daniel, Wynton & April Kelly, Cheryl & Percy Scicluna.

If you haven't been on a run before, please consider joining us next time, even if it means coming in a modern car, we don't mind, just come.

Cheryl.

Club Captain's Report June 2013

This month we are going to the Albury Wodonga Mighty Morry Muster, it will be a great weekend away. There is also a mid-week run for those who would like to attend on the Thursdays 27th to the McClelland Sculpture Park & gallery.

Members don't forget that you need to pay for the midyear lunch in Hurstbridge.

And finally it is with great sadness that we say farewell after the passing of a well-known member of the club, Leigh Smith whose personality and dry sense of humour will be greatly missed.

President's Report June 2013

Hi to you all.

When you read this Sue and I will be in Alaska and Canada following in the footsteps of a few other Morrie travellers. We have been looking forward to this for a long time.

Sue and I enjoyed the run up to Bonnie Doon though we could only go on the Sunday as we were packing for our trip on Saturday. The weather was great after a cold and wet start out of Mornington. Many thanks to Graham and Rosalee for arranging the run and thanks to Grahame and Robyn our hosts at their wonderful home. More in the run report.

I have arranged our first mid-week run for the year to McClelland Gallery near Frankston. Sue and I went there a couple of weeks ago to have a look around and were impressed by what we saw and are looking forward to going back and having a good look at all the exhibits. I would like some Idea of numbers at the next meeting. If not possible give me an e-mail or phone call.

I hope all those going to the Mighty Morry Muster have a great time and look forward to hearing all about it when we get back.

I look forward to seeing you all at the next meeting

Keep on Morrying.

Mark.

- (The Secretary before presenting the correspondence advised the meeting of a computer glitch which had prevented newsletters from other clubs being forwarded to members who previously requested same and indicated that he was hopeful of this problem being rectified shortly with the assistance of computer guru John)

President's Report: as per the Generator

Treasurer's Report: Neil Cheney distributed copies of his financial report for the month of April explaining that an initial computer problem in printing the document causing figures not to line up had subsequently been rectified. He then highlighted the key items of the report including a very healthy total balance of over \$13,000. He then drew the meeting's attention to a maturing investment with the ANZ Bank on 10th July which with the Club's general funds was, as previously agreed, going to be consolidated and transferred to the Bendigo Bank. The meeting agreed that this should be done immediately to attract the higher interest before rates fall. Following further discussion in which the Treasurer detailed the Club's fixed expenditures and indicated that there would be no need to increase Club membership fees he proposed a motion that \$2000 from the Club's general funds be invested as a term deposit with the Bendigo Bank. This motion was then seconded by the President and carried.

Membership Officer: Barbara Urquhart reported that the Club currently has 151 members, 102 of which receive the Generator electronically and 49 through the post .and involving 61vehicles in total.

Club Captain: Stewart Carr gave a brief run-down of future events which are also listed in the Generator namely, Bonnie Doon 19 May, Mighty Morry Muster at Albury 8-10 June, Club's Mid-Year Lunch at Hurstbridge 21 July, Shepparton-Numurkah Weekend to be deferred to a date to be announced in September.

Regalia: Graham Harper advised the meeting that the Club had an extensive range of regalia for sale, including T-Shirts and warm jackets for the cold

National Rally: the President indicated, as previously listed under correspondence, of the recent release of the 2015 National Rally's 1st Bulletin

Morris Minor Touring Club: Geoff & Bev O'Donnell. – nothing further to add concerning next year's trip to Tasmania

A.O.M.C: Stewart Carr & Geoff O'Donnell Secretary - Stewart advised the meeting of a 2 hour information session to be conducted at Monash University on the Club Permit Scheme on 1st June. To boost Club representation at this important event the Vice President Malcolm Baker volunteered to also attend.

GENERAL BUSINESS:

1. Ross Carr reminded members that may not be attending two other listed events on the weekend of 18/19 May, to feel free to attend the previously announced scout function involving vehicle maintenance at Clifford Park in Wonga Park.
2. Tips and hints- Fred Arp mentioned the availability of release clutch bearings at approx. \$190 and their successful application
3. For Sale/ Parts sought. (a) front and rear bumper verity sought by the President for a MM 1000 (not a lowlight as previously stated) (b) Ted Chapman made mention of a red 1951 two door in good order with RWC with spares at \$6000 (c) mention was also made of a 1954 two door on E-bay currently listed at \$2900
4. The Secretary briefed the meeting on a recent visit to the Club's mid-year function venue (Bridges Restaurant and Function Centre and Nursery at Hurstbridge) preceded by a dry run through some very scenic countryside which he felt would both be greatly enjoyed by all attending this function. He indicated that all details of the function would be listed in the next Generator including the menu of three courses @\$30 per head. Self-serve coffee and tea making facilities will be provided by the venue at no cost and the Club will be meeting the cost of soft drinks served by jugs to each table. A licenced bar will be serving a range of alcoholic and other drinks at normal bar prices on the day.
5. Rosalee Harper drew the meeting's attention to the plight of a family in the Panton Hill area with a 6 year old son who is at the final stages of a terminal illness, the parents of whom have currently given up their self-employed work to nurse their son and are doing it tough. She invited members to make personal donations on the night if possible to assist the family at this stressful time. Martin French shortly afterwards suggested that the Club may consider making a reasonable donation given its healthy financial position. The President then paused proceedings briefly for the Committee to discuss the suggestion which resulted in the decision

being taken to donate \$200 to the family on the basis of the donation matching the amount recently donated by the Club to the Anti-Cancer council for which funds were being raised by the two participants of the “Shitbox Rally” who addressed the previous meeting.

6. Ann Carr advised the meeting that the progress of participants in the “Shitbox Rally” can be followed by those interested via “Google” which she and husband Ross were doing to check on the progress of a 1986 Nissan Navara they had donated to this worthwhile cause.

7. Ken Urquhart questioned the Treasurer on the cost of the Club operating credit card facilities which Neil confirmed was \$36.30 per month. In discussions the high cost of operating such facilities was recognised but also the benefit of those facilities when members are paying their annual membership fee as well as member contributions to the mid-year and other functions. The Treasurer advised that this would be kept under review to assess whether this would be continued long term.

The Meeting Closed at 8.40 pm.

Raffle draw took place under the control of Percy and Cheryl Scicluna followed by supper with thanks to Rosalee and Graham Harper

Hello could you put me in touch with any members who may have torsion bars for sale. I need 4 of them for a trailer project I am doing. I live in St Albans. I was hoping I might be able to get some through your members.

Thank you. Danny Baxter

CONVOY RULES

Club Run Etiquette

Info for members attending Club runs.

It seems timely to remind members of the etiquette associated with Club runs where we travel in a group

Please ensure you have a CB radio tuned to Channel 14.

The Club has 3 radios for use of Club members, see John Druery or Ken Urquhart

It is a help if mobile numbers are known to the group.

1. Runs where travelling in a group, such as monthly runs, are run at a speed comfortable to the slowest car. As the leader cannot see what is happening some cars behind him, it is your responsibility to adjust your speed to ensure that the car BEHIND you is keeping up, don't worry about the car in front as he should be adjusting his speed to yours & if we all do this it will flow up to the lead car.

Ideally the slower cars should be near the front of the group.

2. When the group makes a turn, make sure that the member behind you has seen you turn. Use your CB radio to communicate this info.
3. Don't tailgate make sure there is an adequate space between you & the car in front for modern traffic to overtake.
4. If you are leaving the group for any reason, let the leader know & also make your intentions clear to the car behind you.
5. Breakdowns the following cars should pull over with them, radioing or phoning the leader to inform them of this action & keep the leader informed of progress.

If we all adhere to these guidelines, everyone will have an enjoyable outing without causing stress to other road users.
