President`s Report May 2016

Hi All

Sue and I have just had a wonderful short holiday in our caravan to Bright and surrounding areas. (Mt Beauty, Yackandandah, Myrtleford and Harrietville). The trees looked magnificent in their autumn colours against the clear blue sky and green grass. If you want to see the area at its best you would need to get up there soon as the leaves were starting to fall.

The RACV Classic Showcase went off well with a good number of our club members attending, there were a couple of other Morris Clubs there as well. As usual, the show was dominated by the Mercedes Car Club and the MG Car Club as they had their Show and Shine Concourse at the show. Plenty of other car makes to look at. More in the run report. Thanks to Braidy for arranging the day.

The next MMCCV 5C camp will be at Phillip Island from the 4th to the 8th November at the Cowes Caravan Park, which is right on the beachfront and within walking distance of the town. This should be a great camp as there is plenty to do on Phillip Island and not too far a drive to get there. Thanks to Graham and Rosalee Harper for arranging it.

We now have plenty of runs to finish off the year. May will be a busy month with 3 runs to choose from: (Healey Factory, Cavalcade of Transport, Clifford Park Scout Mechanics Weekend). I will be looking after the Cavalcade of Transport run at the Mornington Racecourse on the 15th May. I have not been to the Cavalcade before but others club members say it's very interesting with lots of unusual vehicles on display. It is only a gold coin donation to get in, so it's not an expensive day out.

I look forward to seeing you all on one of the runs or at the next club meeting.

Keep on Morrying

RUN REPORT

Sunday 10th April 2016, Flemington Racecourse – Braidy Davies

There was a small run from the Docklands to the Racecourse at 8.30 in the morning which was interesting as there is a whole new area of Docklands opened up under the Bolte Bridge with parking for about 80 cars. Unfortunately this area had magically developed a boom gate so we had to meet along the road – a shame really as there would have been spectacular photo opportunities but maybe another time. Arrived at the racecourse amongst all these fabulous cars to find a couple of members already there so we snuggled alongside and set up the gazebo. Mark Parritt arrived with our flags and we were set. We were next to the Morris Club and behind the Mini club where Richard McKellar parked his lovely Morris Mini.

The MG club and the Mercedes Club had their concourse judging which produced some stiff completion. My friend in the MG club who came second last year didn't even get a look in this year.

The most talked about car were the little Messerschmitt TWO person car. I don't know where the second person fits in! They were made by the aircraft company so had controls like and aeroplane rather than a steering wheel. The canopy also opens up like an aeroplane to embark into the vehicle. The two cars there were in immaculate condition but I'm not sure they were very safe.

Another interesting car there was the oldest one from Benz made in 1896 which was started by flicking a switch under the driver's seat, opening the fuel lines by turning a tap and flinging the fly wheel as hard as you can. Started like a Morris Minor!

There were a few trade tables with spare parts, magazines, models and posters. The most popular were the LED blubs which had been wired to be both positive and negative poles.

I like the window banners from the club on the cars and a good day for those who came.

Attendees: Braidy Davies and Peter Walker and their Townsville friend Dennis Ford, Mark Parritt, Henry Edwards, Ian Kuhne, Tim Lengyel, Geoff O'Donnell and his friend Keith Hanson, Jeff, Gladys and Rhonda Brumhead, Kate Hutson Jim Gourlay and Richard McKellar

GENERAL BUSINESS.

1. Jeff Brumhead gave a brief description of the old Hume Hwy 31 Run which had been planned for 28/29 May, 2016 but unfortunately recently cancelled (confirmed by Phil Plumbe who has had his application fee recently refunded). It was agreed that this run would be a great event to attend if it ever goes ahead.

2. Jeff also queried whether the Club still receives correspondence from the organisers of the Winton Car Races offering a number of free tickets each year. The Secretary undertook to make enquiries in that regard as neither he nor the President was aware of ticket offers being made.

3 John Druery asked if any members may be interested in providing him with photographs of their MM cars for inclusion in the new Club Website and, if so, requested such photos to be in 1000 x 240 pixel format

Tips and Hints

1 Jeff advised meeting of substandard steering box boots obtained from the UK which deteriorated very quickly. Spectrum Rubber Sydney was suggested as an alternative supplier of such items.

For Sale / Parts nil

There being no further business, **the Meeting closed at 20.56pm** after the drawing of the raffle.

This forum is the common portal to link all the clubs together and where Morris Minor owners from all over the country can swap information, search for parts
And make new friends.

Club Person Profile: David St George

David is a regular attender of our monthly meetings and the owner of the Morris, two for the road and one for spare parts. He is a fairly recent newcomer to the wonderful world of Morrydom only being in the club for just over 1 year. However he has been into cars all his life.

His first car was a 69 HK Holden and his second was a Ford Prefect.

So how did David pick up the Morry bug? He has always liked them and was looking for a project and the spare parts car, a blue 1958 two door 1000, was advertised and a friend rang him to let him know so he bought it. The car he has been doing up is a black 1956 4 door OHV with a split windscreen. It was a friends son car who had done a bit of work on it but wanted to get rid of it so David bought this one which us the main car he has been working on. He is trying to restore his cars to as original as possible - good luck!

Collecting cars seems to be a bit of a pattern here as he also has a Morris J series van, a 2004 Jaguar X type and a very useful Hiace van.

David was born in Stockton on tees about the middle of England and immigrated to Australia at the tender age of 5 as a £10 pom.

We look forward to seeing David on a run with his newly restored Morris.
