President's Report – November 2021

Hello All

Navigating the lockdown rules is tricky business. A meeting with other club members outside has a limit of 15 people provided they are doubly vaccinated. Masks are still mandatory except if you are eating, drinking, or smoking. There are very few guidelines about who checks the vaccination status in a community setting. On a practical level it means that we are not able to visit Henry and Marlene for Cup Day which is a blow but not many people would want a crowd around their house at this time. Then the rules will change on the 18th November! Arrggh. So yet again the next Club meeting will be on line – hopefully for the last time. December is the Christmas dinner – see the note elsewhere, and so maybe January we will have a face to face - I promise pizzas!

Plans are going ahead for the Day of the Morris Minor. Percy and I went to the market last Sunday and it's a great little venue with room for about 100 cars. I doubt we will get anywhere near that number, but we will have enough space to spread out and comply with the 'density quotients'. There will be a registration and QR code desk at the entrance to the car park which is marked as the Visitors Car Park at La Trobe University. The entrance is from the most northerly end of Kingsbury Drive at the traffic lights. We will have signs and marshals making sure we don't lose anyone. Think about volunteering an hour of your time to help on the morning. We will also need marshals to coral the cars into the right areas for their model so someone who knows their models would be a help there. Well signposted areas and colour coding will help with the voting process. Another area we will need volunteers – counting the votes.

This is a great venue with toilets really close to our site. The market is about 150 meters away, and the area is dog friendly. There is also an overhead walkway which will be popular for photography. Check out the two Morris in the photo. As you can see there is shade available as well.

Voting will finish at noon and the awards presented around 1.00pm. Bringing the correct change would be appreciated as the cost of registration is \$10 to cover the trophies and we do not have tap and go!.

This is our show and shine as its success rests with everyone.

Hope all are keeping safe and well

Braidy Davies

President

For those who missed the great logo debate at the last meeting the vote was to keep the current one.

Membership Report – November 2021

Membership report for November 2021

We have 176 Financial Members plus 7 Life Members

96 Cars are registered on the Club Permit Scheme.

New Members

Joe Foster #1804, has recently purchased a Green 1956 Series 2, 2 door sedan. The Morrie joins his other classic cars, a Ford Cortina and a Ford Capri.

Fortunately, Joe was able to join us in last month's Zoom meeting and described how he recently purchased his Morrie from a fellow enthusiast in Mt Martha and is proposing to eventually put the car on Club plates. He is now looking forward to taking part in club events.

Ian Hamilton # 1805, has inherited a Green 1956 1000, 2 door sedan from his childhood friend. The car has just been delivered to Melbourne for registration.

You will be able to read Ian's story in this newsletter. **(Barb, this wording depending on where you put Ian's story and photos).**

We welcome Joe and Ian to the Club.

Club Name Badges:

These are available for **\$15.00 per person**, contact me to order a badge. Come to a meeting in your Morrie, wearing your badge, and be in the running to choose a prize from the raffle table.

Feel Better & Get Well Soon

To any members of our Club who are unwell or recuperating, we hope you are back with us soon.
If you know of any member/s who are on the sick list, please let me know.

Coming Events Calendar 2021/2022:

Club Runs for 2022

The Events calendar for next year is beginning to take shape with runs allocated up until May

All these runs have a nominated Run Master, except for the visit to the “Blue Lotus Gardens” in Yarra Junction in March. **We are looking for a volunteer Run Master for this event.**

Other events that have been put forward for later in 2022 include:

- Point Cook Aviation museum to include a run through Historical Williamstown and possible lunch at the Altona RSL or other local venue
- McClelland Sculpture Park + Gallery, Frankston to include a local run and picnic in the Park grounds

We are seeking volunteer run masters for each of these events, timing on the calendar is negotiable.

What's involved in being a Run Master:

- Identify a suitable destination for a run i.e., restaurant, picnic spot, scenic drive, museum, homestead etc, etc, etc
- Pick a starting point – typically a McDonalds or roadside stop.
- Plan the route
- Work with the Club Captain/Committee to agree on a date and advertising the run in the Generator
- Nominate a convoy leader in advance, either yourself or somebody else
- Bring along an attendance sheet
- At the end of the day ask a volunteer to write the run report for the Generator
- Most of all have fun with other Morris Minor enthusiasts

If you would like to volunteer as a Run Master please contact Jim Gourlay on 0419 517 363

Please keep feeding your run ideas into the committee.

Bookings: required by our President before 18th November by email or text (mob 0403 963 379)

Run Report - Such a Perfect Day.

Big thanks to Mike Dobson for organising the first run since the Morrykhana at Roxburgh College way back in May. Not only did his organisational skills take the Morries on a beautiful run through the rolling hills of the outer LGA's of Melbourne but his direct line to the weather controllers was brilliant. What a day of sunshine and warm temperatures – we had to move into the shade which was superbly organised at the picnic spot.

We met at the Diamond Creek McDonalds where the coffee was about what you would expect at McDonalds (and yes I'm a self-confessed coffee snob from Brunswick) where it was a lovely surprise to see all these Morries hanging out just bursting to go on a run. There were 7 Morries and two moderns with a total of 12 people keeping us under the legal limit of 15 people. There were some favourite faces there we hadn't seen around so much recently with Graham and Rosie Harper with their very cute grandson Noah – what a chatterbox for a two year old! We had a debutant with Barry Philips and Marj Hamshaw who have managed a miracle and got their Morrie registered on club plates during lockdown. Check it out on the cover! We had our past Editor Rob Smith rock up without his other half – at the hairdressers. Trish managed to join us at the very end of the run but did look magnificent. Several others were convinced to wag from work to join us with our Treasurer Katie Hamilton lapping it up with her convertible top down and Ron Roney getting his Morrie out for the third time this year. Lots of space in logbook I presume. We were also joined by Philip Plumbe and Liz Small in their semi modern – I'm not sure what year their Celica is but I think it qualifies for club plates. And last but not least there was Mollie! Mike and Veronica Dobson proudly lead the way at a measured pace over green hills and little hamlets – we could almost believe we were in England except for the sunshine. We arrived in Panton Hill where we could get down to the real business of the day eating and chatting. My smile muscles haven't had such a workout for a long time.

GENERAL MEETING MINUTES OF THE MORRIS MINOR CAR CLUB OF VICTORIA INC.

GENERAL MEETING MINUTES OF THE MORRIS MINOR CAR CLUB OF VICTORIA INC.

HELD VIA ZOOM ON THURSDAY 14TH OCTOBER 2021

The President welcomed the members present online and opened the meeting at 8.07pm.

Committee members present: President: Braidie Davies; Vice President: Stewart Carr; Treasurer: Katie Hamilton; Secretary: Ed James; Editor: Barb Went; Membership: Jim Gourlay; CPS Officer: Wayne Cunningham; Regalia: Alan Todd; and Webmaster: John Druery.

Attendance: Approximately 35 members were present via Zoom.

Apologies: Catorina Bruce and Helen Grundy.

Visitors and New Members: New member Joe Foster who has a 1956 Morris Minor.

Acceptance of Minutes

Minutes of the previous meeting held 9th September 2021 accepted on the motion of Rob Smith and seconded by Barb Went.

President's Report: As per the Generator. Braidie advised that she is also on the Committee planning the Florence Thompson tour which is proposed to be held at the end of April/beginning of May next year in Torquay.

Secretary's Report: Various items of information have been received by email and forwarded to appropriate office bearers. Ed advised that an advertisement was received from England about a proposed calendar for next year featuring a Morris Minor. It was suggested that the club could produce its own calendar and this received a favorable response. Barb our Editor said that some of the suggested photos for the calendar could actually be included in the Generator and that she is looking forward to receiving copies of them. Ed advised that other club magazines are being progressively forwarded to those members who have requested them. A number of Morris Minor manuals have been donated to the club which will be redistributed in some way to members. Some enquiries received about the sale of Morris Minors and/or parts.

Treasurer's Report: Katie advised that we have a current operating balance of \$5,002.32. With our term deposit of \$8,482.34 gives a combined balance of our accounts of \$13,484.66. The term deposit is to mature on 13th November and currently earns an interest rate of 0.3% per annum. Our annual insurance policy has been paid. An anonymous donation of \$100.00 has been received.

Membership Officer's Report: As per the Generator. Jim advised that we currently have 175 members and 7 Life members. We have one new member named Joe Foster who has a 1956 Morris Minor which will feature in the next Generator.

Club Captain's Report: Nil as we no longer have a Club Captain. Jim provided an update of plans for future events. We will probably have to cancel the Cup Day run to Henry's due to the

Covid restrictions. For our Christmas Party all attendees will need to be double vaccinated. All our events will need to be based on and be consistent with Government policy. We have had a number of runs proposed. One run suggested is to the Blue Lotus Water Garden at Yarra Junction which is best to see between January and March. We would have to reorganise other events to fit in with these months and an entrance fee would be charged. The membership indicated that they would be interested in paying admission to such a location. The club would look at subsidising some of this cost. A volunteer would be required to run this event. The Morrykana would need to be moved from March so this run could be held in that month. Other events suggested include: a run from Williamstown to the Point Cook Airforce Museum; the McClelland Sculpture Park and Gallery; the Pearcedale Sanctuary; the Frankston Botanical Gardens (featuring all Australian plants); a night tour of the Ararat Jail (Wayne to look at); a run along Beach Road; and a run to Warburton. Mike Dobson is organising a run around the Arthurs Creek area to end up at the Bridges Restaurant. For each run a volunteer will be required to organise it.

Editor's Report: Barb asked for any images of Morris Minors to put in the Generator. She also asked for images to be sent to her of our last run to the B24 Liberator Museum at Werribee as she did not have any for the Generator. She is looking for more items and articles from members for inclusion in the Generator to make it more interesting.

Regalia Report: Alan advised that not much is happening with the Regalia due to the Covid shutdown. Costings for the proposed new emblem have been included in the Generator. Alan asked that if anyone is sitting on any artwork or have dealt with companies in the past who may have some of our artwork to please let him know.

CPS Officer's Report: Wayne advised that as per the Generator we presently have 96 cars on club plates. Wayne advised that VicRoads is changing how Roadworthy Certificates are issued and that they are now being done electronically.

GENERAL BUSINESS

- 1. Club was advised that Henry Edwards has not been receiving a hard copy of the Generator. This will be rectified;**
- 2. Braidy reported on the voting received on the proposed new club logo. The voting was 27 votes against changing the logo to 4 votes to change it. Motion therefore carried not to change the club's logo. The new logo will however be made into a T shirt (with no reference to the club) for those members who expressed interest in one (say a run of 20 T shirts);**
- 3. Braidy advised that for the Day of the Morris Minor is to be held at the LaTrobe Community Market on Sunday November 21st that there will be a lucky door prize, an area or approximately 80 car parking spaces set aside for us, cars will park as they arrive and some regalia will be for sale. An entry fee of \$10 will be charged per vehicle entered to cover part of the cost of the trophies. No catering will be provided as this will be available at the market. Also, a goodies bag will not be provided. The Ballarat and Geelong clubs have been notified of the event;**
- 4. The Christmas Breakup is to be held at the Veneto Club at 6.00pm on 2nd December. People who have paid a deposit for the Mid-Year lunch will have that deposit paid**

towards the Christmas Party. Some members have already advised Katie to do this for them. If they did not want it transferred then they need to advise her of this. Cheryl suggested in future years that the Christmas breakup be a lunch held on say a Saturday or Sunday afternoon so more Morries can come along to the event.

Items for Sale / Tips & Hints:

Mark Parritt is giving away a full diff housing for a 1000 together with just a diff housing. Mark also has a generator to give away.

Mike Dobson has a gearbox to give away.

Please see Generator for other items and vehicles for sale.

There being no further business the meeting closed at 9.27pm followed by the drawing of the raffle.

PREVIOUS RUNS:

Our Runs are great fun and a wonderful time to catch up with other members – you don't have to drive a Morry, modern cars are most welcome. This picture courtesy of Wayne Cunningham is from the run before last when we went to see the B24 Liberator at Werribee.

say Hello to HNF-361 – A Love Story in Three Parts – Rosalee Carter

Graham and I started to go out together in April 1977 we enjoyed going for drives we would often see little cars I'd say Oh I like those little cars they remind me of Noddy's car he told me that they were Morris Minors .Graham did get a Morris a cream sedan he only had it for a short time well it was enough time for me to have my very first drive and to know that I would like to have a little Noddy car of my own .Time rolled along we are now in October 1979 we are just about to announce our engagement and we were preparing for a party Graham came over to help with the preparations it was a little strange when Mum said that he had arrived as his car a lovely Holden V-8 so it did have a distinctive sound so I could always hear him arrive mmm..... well I didn't hear it today . there was Graham he was in a beautiful aqua blue 1962 Morris Minor she was a real little charmer with her fancy sun visor and the beautiful distinctive color I was smitten with her at first sight .I then bombarded Graham with questions to who's car where did it come from ,how much was she poor Graham he hardly answered one question when I threw another one at him I did hear Greensborough and \$ 200 (what a bargain) what was happening he then said happy engagement Rosalee its yours oh WOW !!!! Mine I squealed really its mine well I jumped around and danced was oh soooo happy with that my neighbor came out to see what was going on she said well I think she likes it .Like it I LOVE!!!! her so that was my first meeting with this little Morris Minor number plate HNF-361 .My very own little Noddy car

MEMBER PROFILE:

My name is Ian Hamilton and I want to thank you for accepting my application to become a member of the Morris Minor Club of Victoria Inc.

I have dreamed of owning a Morris Minor for many years as I learnt to drive in a MM back in the last century. A very good friend of mine, Brian Cook, 'Cookie', who I met the day we commenced Primary School had restored many, many cars over the years, and I had suggested to him on numerous occasions that he should restore a MM. In April this year, sixteen months after he had been diagnosed with mesothelioma, and a few days after my wife, Marilyn and I had returned home to Croydon Hills from visiting Cookie and his wife Merryl on the Sunshine Coast, Cookie rang to tell me that he had bought me a MM. It had been in shed for just over forty years on a property just out of Hervey Bay Qld. He told me he was going to restore it for me before he died.

Cookie passed away on the 29th. June and had almost completed the MM which he wanted me to have in memory of him. With a very small amount of assistance from myself another friend of Cookie's, Ross, completed the restoration, indicating to me on a number of occasions that "his hands (working on the Morrie, named "Mavis") were Cookie's hands." These are photos of the virtually completed Morrie, a 1956 model (we think). An overwhelmingly grateful MM owner - A Friend of 'Cookie'.

Cookie with Mavis – what a transformation!

FOR SALE:

1

For sale is a white 1959, 4-door manual Morris Minor 1000 in working order and still driven around today.

Owned since 1984 (37 years) and has been regularly serviced by professional tradespeople. The car has been kept under cover the entire 37 years owned - 19 years under a carport and for the last 18 years inside a garage. Only used for private use and local driving.

In overall good condition and comes with owner's manual, repair papers (some), the front passenger seat (to be installed by the buyer) and countless spare parts that have been accumulated over many years. Registered until June 2022 but will be sold without a Road Worthy Certificate and without the registration plates. New clutch kit installed in March 2021. Brakes professionally inspected and repaired in August 2021.

Most (> 90%) engine parts are Morris Minor brand – except horn, radiator and electronic fuel pump. Upholstery (of seats and sides) is in good condition with no tears or damage but roof needs re-upholstering. The front passenger seat has never been used since being re-upholstered. Carpeted, but not original. Some surface rust on back left mudguard and front left mudguard near hinge. Work is needed under the car.

Located on the Bellarine Peninsula near Geelong, Victoria. Contact Peter 0452 131 099 or email prgsquid@yahoo.com.au

More photos and a list of spare parts included in the sale are available on request.

Price: \$6,300 o.n.o.

EDITOR'S NOTE:

Thank you all!! We have had a great month!

We have had contributions from lots of our wonderful members. I could not be happier (well maybe if I won Tattsлото but that's not likely)

How good is it to be out of Lockdown? This month has been a busy one for the Club with 2 runs being held and plans for many activities into the future.

I am still looking for those pictures of our members from an earlier time with Morry's from their past.....

If you have any feedback, it is very welcome. I am interested to hear your thoughts and suggestions.
