President's Report November 2016

Hi All

There was a good turnout for the Motorkhana and it was great fun, with the weather surprisingly pleasant considering what it had been like early in the morning. Many thanks to Stewart Carr for arranging the day with so many interesting challenges for the drivers; Graham Harper for organising the venue and Michael Dobson for transporting the equipment and setting up the pergola. I think this would make an ideal annual or bi-annual event. (More in the run report).

Many thanks to Henry and Marlene for putting on such a great Melbourne Cup lunch at their splendid new home in Whittlesea. It was great to see so many club members at the event and as usual the ladies put on a wonderful selection of food. My thanks also to those that cooked the BBQ and to Barbara Urquhart for running the sweep. Unfortunately, I was not among the winners. (More in the run report) I am looking forward to our Cowes break with the MMCCV5C. After Sue's and my previous disastrous trip to NSW a couple of months ago, it will be a pleasant change not to be going too far from home. We also have a new car that we want to try out with the caravan before taking longer trips. Let's hope this very changeable weather will give us a few pleasant sunny days.

Not long now until the Christmas Party and we have to finalise numbers very soon, so if you are coming please send in your payment ASAP and let Barbara Urquhart know. I am looking forward to meeting Elvis. Please remember to bring your contribution raffle prize on the night.

If you plan to attend the club's fortieth birthday celebration lunch in February, book early as the venue only has seating for 80 people. The price is \$20.00 per head for club members, partners, and dependent children - the club is subsidising this very special event. Further details in Up Coming Events.

In January 2017 we will not be entering the Mornington Australia Day parade, as dealing with Mornington Shire Council has become too problematic with all the paperwork and the difficulty of parking afterwards. Instead, we are planning a Great Australia Day BBQ in Westerfold's Park, Templestowe. This should be a good day out, with plenty of time to sit and relax, catch up with Morrie friends or maybe a game of cricket and even fly a kite if the weather is suitable.

I look forward to catching up with you all at the next meeting or at one of the upcoming events.

Remember, the best way to get to know other club members is to come on the runs. Everyone is most welcome and should your Morrie be off the road, you can always come in your modern car.

Keep on Morrying

Mark

Club Captain's Report November 2016

Hi all,

After a couple of Melbourne's finest spring rainy days, I made our way to Eltham, after meeting up with the rest of the members who attended we put our driving skills to the test. Many hours passed and many stressful moments were had. I think the most stressed person on the day was Peter as he had to give instructions to nine other drivers on how to back their car through the course laid out behind them while the driver was blindfolded.

I would like to say a big thankyou to Graeme Harper for organising the venue and the witch's hats and to all those attended I am sure you had a great day of fun and laughs. We are thinking of doing it again next year so keep an eye out.

Keep on Morrying

RUN REPORTS

Motor - no Morry-khana!

Sunday October 23

By Braidy Davies

It was a cold and cloudy day when a few brave souls met at the Lower Eltham Park for a bit of fun and testing our skills. Luckily the rain held off for the whole day and we all had a great time. Stewart Carr set the course and ran a mean measuring tape all day.

Interestingly the skills I thought I would rock on I failed abysmally and those I thought I would be average on I did well enough. So test one was parking in a regulation sized parking bay marked out by orange poles and fluoro tape. I thought this was going to be my best event as I park in Brunswick every day of the week and the bay looked pretty big however I think I need the fear of touching the neighbors BMW to improve my skills. I bombed out big time – 10 points! The winner is the one with the lowest score. The most impressive at this event especially when the parking area was reduced was Ross Carr in Mark Parritt's van where you can't see behind you.

The next event was trying to get the drivers wheel as close as possible to a match box. This was pretty deceptive and most people were way off. The worst was over 1.5 meters and the best was my friend Malcolm, who had dropped by, was 20cm away. The next test was the left wheel and people did much better this time. Most of us have no problem lining up it was how close we could get before we lost our nerve. Ross Carr also won the driver's side where as Jim Gourley won the passenger side.

The third event involved selecting distance apart of two cones then driving through them. A touch was 10 points and a few competitive types were undone here. Closest distance was 50mm from the tyres by Stewart Carr. Who taught Stewart to drive I wonder?

The fourth event was reversing down a lane with a turn at the end – blind folded! A passenger was to give directions and Peter was volunteered to give the directions to everyone for fairness. This was unnerving as there is no sense of speed or distance. My reply to the instruction to go one more foot was - am I moving? Unfortunately the later drivers had an experienced guide and the all made it whereas the first drivers didn't do so well. Important lesson for next time. Stewart did the best at this.

The last event was reversing between a line of cones which were very short and hard to keep in view. A few of them ended up under wheels - much to the amusement of the rest of us. This was a pass or fail event.

On a personal note, I didn't come last and it was interesting and challenging to see how skillful we actually are - or in some cases are not - at driving.

The overall winner was Stewart Carr as he didn't fail a single event, second was the club librarian Henry Edwards and third was Ross Carr in a borrowed car! El presidente Mark presented the perpetual

trophy. The loose was Michael Dobson who was presented with the match box. This will be run again next year so look out for the event – who knows maybe YOU are the best driver in the club!

Attendees: Mark and Sue Parritt, Tim Lengyel, Michael and Veronica Dobson, Henry Edwards, Ross and Ann Carr, Braidy Davies and Peter Walker, Jim Gourlay, Graham Harper and Stewart Carr.

PS: I am not doing secret training! Honestly. No flat matchboxes anywhere near me.

PPS: Last year's winner starts with a 10 point handicap. Sorry Stewart.

Melbourne Cup Day Club outing, to Marlene and Henry Edwards' place at Whittlesea.

November 1st was fine but cool, with rain forecast or expected by the time of the actual running of the The Cup.

Attending were 29 Adults, 13 Minors and 3 Moderns.

Barbara & Ken Urquhart , John & Ann Druery, Henry & Marlene Edwards, Mal & Margaret Baker, Braidy Davies & Peter Walker, Percy & Cheryl Scicluna, Phil Plumbe & Liz Sambell, Graham & Lesley Dines, Wayne Cunningham & Lyn Waites, Rosalee & Graham Harper, Mark & Sue Parritt, Michael & Veronica Dobson, Rob & Trish Smith, Neil Cheney, Jim & Helen Gourlay.

Some of us would seldom venture to the north-side outer fringe of Melbourne except to transit via the Hume Freeway, but there is lots to be seen in this valley to the north-east as the (presently very-green) countryside starts and the Great Divide looms, the foothills of which lie just beyond Whittlesea.

Henry and Marlene have a splendid and spacious home, just on the outskirts of the town. In a mere two years they relate how they have transformed an existing modern house and shed on some bare land into a home, adding lovely garden areas and plantings, and increasing the paved areas and driveways to ease maintenance. Henry has installed two massive tanks for water security, and has put extensive solar panels onto his spacious and well-equipped garage.

Clearly the yard space also assists the movement + storage of Minors, of which Henry has about five, with one car in use and two more under restoration, still managing to have old cars, moderns, a tractor etc. all under cover! He has a most enviable set-up, all the men agreed!

Our hosts had made terrific preparations, with ample BBQ grills, snags, chicken sticks and veggie burgers plus of course dips, chips, crackers, salads and side dishes. Lots of sweets + coffees/teas followed, so we were all most superbly catered-for. Sincere thanks were expressed to Henry and Marlene for their work and forethought so as to host the Club. Even Daisy the terrier and able vermin-watch coped with the influx of strangers! All attendees received a small gift from the hosts, which in a way seemed all wrong that way around, but it was a very kind thought nevertheless.

The photos show the line-up of cars, and I believe there were no breakdowns!

Barb and Lyn organised the Sweep, and some attendees had even dressed for the Race occasion: see photos! We all had about three television locations to choose from, so everyone was readily able to see and enjoy THE RACE.

Winners were: Lyn Waites and Veronica Dobson.
