President`s Report September 2015

Hi All

I am writing this on Sue and my return home from the Mystery Run. It was a great day out with a very pleasant drive through Yarra Glen, Healesville and the Toolangi Forest. We managed to find some of the items that had to be found en route and answer most of the questions but not enough to win. Congratulations to Braidy and Peter for putting on such a great event. It was pleasing to see such a good member turn out for the event. More details in the run report.

Our next run is to Diamond Creek Town Fair. I am looking forward to this, as it should be interesting with lots to do and not that far out from the city. (I drove over two hundred kilometres today) As we are going the Town Fair Parade it would be good to see a fair number of club cars in the parade and then put on a display to show off our club at the fair.

Not long now till the club Christmas Party so please put the 10th December on your calendar as this year party should be even better than last. The cost remains the same (\$30.00 per head) but with a different menu. The club will also subsidise some of the night. We will also run our free raffle so please supply a minimum \$10.00 raffle prize per couple on the night. The club will supply the three major prizes. By popular request the Diamond Creekers Ukulele band will be back, Michael has advised the new program for the night is well underway and should be bigger and better than last year's. This event will make a great finale for the year.

Looking forward to catching up with you all at the next meeting or run.

Keep on Morrying

Mark

Club Captain's Report September 2015

Hi everyone,

I would like to start by thanking Braidy for organizing such a fantastic mystery run last month. I am sure everyone that attended had a great day out. I would also like to say congratulations to the winners on the day which Steph and myself were one of many.

This month we are going to the Diamond Creek Town Fair, this will involve a car parade down the main street much like we do on Australia Day and then a static car display on the oval.

There will be lots to see and do around Diamond Creek on the day.

I hope as many of you can make it on the day.

All the details are in the Generator.

Hope to see you all there.

Keep On Morrying

Honey sale for charity – club meeting September 10

Sue Parritt will be bringing honey to sell in aid of Quaker Service Victoria. A Somerville apiarist provides the honey at a small cost to QSV. The honey comes from hives placed in local gardens and is not pasteurized.

Prices are as follows:

1kg \$15.00

½ kg \$8.00

½ kg creamed honey with pollen \$9.00

Quaker Service Australia, of which QSV is the state branch, is the service and overseas aid organisation of the Religious Society of Friends (Quakers) in Australia. QSA is a tax-exempt charity. Its role is to channel the concern of Australian Quakers for building a more peaceful, equitable, just and compassionate world. QSA currently works with partners in countries throughout the world including Cambodia, India, Indigenous Australia, Timor L'Este, Zimbabwe and Uganda. QSA has supported work in the areas of health, education and human rights, but the main focus has been in providing people with the skills to create small vegetable gardens and earn a decent livelihood.

RUN REPORTS

Morris Minor Mystery Run 23 August 2015

On a fantastic late winter morning, 30 members with 13 Morrisies and 2 moderns met at Ringwood Macca's for the start of Braidy's Mystery Run. The brief was pretty simple, follow the clues, collect the treasure and don't get lost.

Despite the clear instructions Morrisies went in all directions – searching for treasure.

The run went out through the delightful country around Warrandyte and Kangaroo Ground, although one member was seen heading going the wrong way down Eltham High Street. It appears the navigator turned the page over too quickly and skipped a few of the directions!

The left hand turn into to the water tower was interesting, requiring high revs, low gear and both driver and navigator banking into the turn. What a great view from the tower!

Pushing on through the undulating Christmas Hills to Yarra Glen and to the glorious setting of the Chocolaterie & Ice Creamery for morning tea. A quick check with all to ensure relationships were surviving, and all calm in the cars. The free chocolate tasting was a bonus and a very accommodating staff member told most people that the answer to the question was – “Rocky Road”.

On the road again heading up the Melba Highway to the Toolangi Rd, what magnificent tall mountain ash throughout the area. No wonder CJ Dennis took inspiration in writing some of his best poems whilst living in this area.

Over the top for a great downhill run into Healsville to see the Walker Railmotor RM22 pulling into the restored rail station. With the clock on for lunch it was on the road again heading back up the mountain along the fern lined Myers Creek road, the Morrisies actually managed to pass a few bicycles on this challenging ascent. And then at the top of the mountain we rolled into the welcoming Toolangi Hotel. What a great pub in a magnificent location

Braidy was there to collect answers and treasures, all fairly assessed with a few interesting answers!

Best headlines – “Morris Minors Menace Melbourne”

Best treasure hunt item was for “The Tie”:- a verbal offering from the Smith's “Geelong and St Kilda!”

And the prize winners being

Best cheats – Ken and Barbara Urquhart - Q&A's read out to them over CB radio

Best photo – Leon and Michelle Deutsch – borrowed a walker's dog for the photo shoot

Most Observant – Rob and Trish Smith – equal highest score on the clues

Not the Best (but a great effort) – Peter and Chris Gabe – bad start but bravely finished

Overall winners – Stuart and Stephanie Carr – better than the rest!

Fantastic lunch after a fantastic day.

Big thank you to Braidy and Peter, for great organization and attention to detail.

August 3rd to the 5th Trip to Port Fairy (Seacombe House)

12 intrepid train travellers (Mark and Sue Parritt, Graham and Lesley Dines, Ken and Barbara Urquhart, Mal and Margaret Baker, Rob and Trish Smith and Michael and Veronica Dobson) gathered at Southern Cross Station at 7am on Monday the 3rd for a 4 hour train and bus train to Port Fairy.

When we arrived we were greeted by Wayne Cunningham and Lyn Waites as well as Percy and Cheryl Scicluna who had driven to Port Fairy.

We settled in at Seacombe House which was built in 1847 by Captain John Sanders. We had lunch in town then in the afternoon, we went walking around Griffiths Island until the tide came in and forced us to abandon the full circumnavigation of it. That evening we dined at the Stump hotel where Graham enjoyed a Stump Rump which he happily shared with others.

At Seacombe House, my host had given us the conference room to relax in and to have breakfast so after dinner we chatted, played Mah-jong or just relaxed.

After breakfast on Tuesday, Percy and Cheryl decided to head home as Cheryl wasn't well then some went across the Moyne River for more walks which included the gun batteries on Battery Hill then some went to the Port Fairy Surf Life Saving Club for a cuppa and to watch for whales with no luck. That evening we ate takeaway in the board room followed by watching "The Plank" dvd's and photos from a past event at Rusty Springs as well as playing Mah-jong. On the Wednesday, we went back to Griffiths Island to do the full walk and to visit the lighthouse then to go to the shops again. That evening it was back to the Stump Hotel but no rump for Graham.

On 11am on Thursday morning, we said our goodbyes to Wayne and Lyn and boarded our bus for another 4 hours back to Melbourne. It was a great 4 days with great company and it was very relaxing.

FOR SALE

Hi I have a Morris 1100 and I would like to sell it as it is going to waste, have had it going but it can be cantankerous to start. I have driven it and I don't have any use for it as I live on a farm near Swan Hill. It is a shame to see the little car going to waste. It has been out in the weather but we put a tarp over it when it is not windy. If you like to contact me on 0428303101 or 03 50376754

PENETRATING OILS

You have probably been there.

You are wrestling with a rusted on nut or bolt, the spanner slips, you bash your hand, blood appears.

“Oh Dear. I hurt my poor hand when my silly spanner slipped as I was trying to loosen this wretched rusted on nut,” you say, or words to that effect. So the info below might be useful.

In the April 2007 issue of “Machinist’s Workshop” magazine was published information on various penetrating oils. The magazine reports they tested these products for “break out torque” on rusted nuts and bolts. A subjective test was made of popular penetrating oils, with the unit of merit being the torque required to remove the nut from a “scientifically rusted” bolt. Average torque load to loosen nut:

- | | | | |
|---------------------|-----------------|---------------------|-----------------|
| • No oil used | 516 foot pounds | WD-40..... | 238 foot pounds |
| • PB Blaster..... | 214 foot pounds | Liquid Wrench | 127 foot pounds |
| • Kano Kroil | 106 foot pounds | ATF/Acetone mix .. | 55 foot pounds |

The ATF/Acetone mix is a “home brew” mix of 50/50 automatic transmission fluid and acetone.

Note the “home brew” released bolts better than any commercial product in this one particular test.

“Our local machinist group mixed up a batch, and we all use it with equally good results.”

Note also that Liquid Wrench is almost as good as Kroil for 20% of the price. ATF/Acetone mix is best, but you can also use ATF and a lacquer thinner in a 50/50 mix. (ATF = any type of Automatic Transmission Fluid.)
