President's Report January 2024

Hi Everyone,
What a busy Christmas it has been. William has been enjoying all his presents from Santa.
Dad and I have been playing with a few cars. We dragged the MM tourer out of the shed and fired it up after sitting for 30 plus years. The brake system needed a complete overhaul as you would expect. I fixed some of the minor electrical issues with the MG midget and finally I hope to get my Modified 1000 four door going after a very long hiatus.
This month we have the Australia Day run at Westerfolds Park. Michael Dobson will be there from very early for those wanting to join the club for Breakfast. If you feel like brunch or lunch is more your style the club will be there until mid-afternoon.
Don't forget about the joint MMCCV/MG Car club swap meet on 24th of February. Please contact Alan Todd or Leigh Wallace to book your site or let them know your coming. Further details later in the Generator.
Also, in February we have been invited to the Ballarat Morris Minor Club invitation day. The event is on Sunday 25th February in Ballarat. $25 entry fee includes morning tea, light lunch, and raffle ticket. Further details in the Generator.
Hope to see you at the January meeting.

Keep on Morrying

Morry Tales:

Rice Bubble's new upholstery:

By Barb Went

After driving to and from Morrykhana I decided that I could no longer ignore the fact that my Morry's driver's seat was just not good enough. My hips were aching and I wasn't totally certain I'd actually be able to get out of the car when I got home. So there was nothing for it.

I had ordered all the things I needed to replace the upholstery, pirelli straps; foam and squab padding early in 2023. It was time to bite the bullet. Initially, I had hoped to be able to retain the original upholstery but it was torn and unable to be salvaged.

Stripping the seat was easy, I couldn't belive how grotty the seat was so a mask and gloves were helpful pieces of kit.

Fitting the Pirelli straps was the most difficult part of the job and my husband made a very useful tool which enabled us to get the straps on.

This nifty little gadget together with vice grips allowed much easier application of the Pirelli straps.

All in all it isn't a difficult job, there are moments when you have to hold your breath because when installing new upholstery, you have to cut it. I found that the most daunting task after getting the Pirelli straps on.

I am pleased with the finish. The colour match is not perfect but it is good enough for me. I am super happy with the improved level of comfort as well as the improved vision out of the windscreen because I am sitting higher up in the car.

I will redo the padding in the passenger seat and squab in the near future but I will be able to retain the original upholstery as it is in much better condition than the driver's seat was. I have many photographs of the steps I took to get the job done, so if you arre interested just let me know. There are some great YouTube demonstrations to help as well. I found this one particularly useful:

The Florence Thomson Tour is proudly brought to you by the Association of Motoring Club (AOMC) on behalf of RACV In February 1905, Florence Thomson was the sole female entrant in the Dunlop Reliability Motor contest from Sydney to Melbourne. Mrs Thomson was one of the 16 entrants who successfully completed the five-day trial, driving a six horsepower Wolseley, over what was then nothing more than 562 miles of dirt track between the capital cities.
To celebrate the pioneering spirit and contribution of women to Australian motoring, The Florence Thomson Tour was created as an annual event in April 2017 by the RACV.

Editor's Note:

I hope you all have had a happy Christmas and that 2024 is a peaceful and safe year for everyone.

We are looking forward to another active year in the MMCCV with lots of interesting things to participate in.

It isn't too early to start planning for the 2025 National Rally in Perth. It might seem like a long way off but it will come around very quickly and it is probably worth starting to think about your options now. It is scheduled 11th – 14th April 2025. You can check out the details on the Club website:

Please feel free to email any stories that you would like to share. I know form the feedback we get that our members are very interested in what everyone else it up to. So don't be shy, I know there are some great stories out there that we'd all love to hear.

If anyone finds an interesting YouTube clip or other fascinating Morry story or image, please let me know.

Finally, a reminder that there are still a few 2024 calendars available. They are $20.00 each and are a fun thing to have.
