Club Permit Scheme Arrangements over Christmas Break

I will be away from 15th of December until the 30th of December 2024. During this time I will not be able to sign permits.
There are 5 permits due from the 14th of December through to the 30th of December out of a total of 17 Permits due in December.
Given that VicRoads issue renewals generally 4 weeks before the due date I advise members to send the permits through via mail or email the moment they receive them.
Unfortunately, 40% of our permits are sent to me late or with in 5 days of renewal putting pressure on me to return them quickly.
I will be able to sign Permit renewals at the Christmas function on the 5th of December 24 and from the 31st Of December 24
Keep on Morrying

Vice Presidents report

The Day of the Morris Minor has come and gone for 2024 and I'm sure that anyone who attended would agree that it was a fantastic day. Special thanks to Braidy for organizing the event, and all those who assisted in making the day run like clockwork. I thought it was timely that I share a photo from a past DOMM. I think this is most likely from the mid to late 80's when the event was held at Heidelburg Park. Back in that era, it was not uncommon to have 100 - 150 cars on display.

Pictured is myself (complete with mullet) presenting awards for the day. In the background leaning on a vehicle, (wearing an Akubra hat) is Jeff Woodbridge who was also in attendance with Bev at this year's event.
I stand to be corrected on this one but, I suspect that the two young lads in the center are the Carr twins. If that's correct, I'm not going to try and guess which one is our current President, Stewart.

Russell Hatton.

MEMBERSHIP REPORT OCTOBER 2024

Membership statistics are as follows:
188 Financial members including 7 Life members.

New member this month:

Colin Marsen #37 is a returning member, who still owns the MM he purchased in 1977 for $75. The car has never been registered, the idea being that Colin's dad would use the car to teach Colin the basics of car mechanics.

However some parts were stripped for a second MM and the car ended up going into storage as other stuff happened, such as travel, taking up distance running, other old cars, getting married and family life. For purely sentimental reasons he could never bring himself to get rid of the car. As his kids are now all in their twenties and life is starting to slow down a bit, Colin is hoping to get the Morry out of storage and make a start on getting it back on the road.

Colin has good memories of his early days with the club. He came along to the Day of the Morris Minor and enjoyed seeing the range of Morry's on display and decided to rejoin.

We welcome Colin back to the club.

Club Name Badges:

These are available for $15 per person, contact me to order a badge. Come to a meeting wearing your badge and be in the running to choose a prize from the raffle table.

To any member of the Club who is unwell or recuperating, we pass on our warmest wishes

Searching for a 1971 Morris Woody with Morris Trailer **2.**

Hi members of the MMCCV;

I was hoping to ask a question, as a non member.
While I'm not a current Minor owner, I'm searching for a car that has previously been listed. After 20years abroad in England, both myself and wife have a particular affection for them..
As such, I was wondering if any member may know the whereabouts of the below. As you'll see it was listed for auction late 2022, but turned in.

https://auctions.shannons.com.au/auctions/2022-shannons-spring-timed-online-auction/JFDYMF5TF7H78B6/

If anyone could perhaps point us in the right direction, it would be greatly appreciated, as we'd love to join the Minor community
Many thanks

Morris Minor Lowlight 1949 **2.**

I have a Morris Minor that has been in a shed since the eighties.
It is a two door MM lowlight from circa 1949. I also have a donor Minor and many parts. The car is in Bacchus Marsh.
I would be interested in moving the project on, and thought your Club members may be interested before I advertise it commercially.
I can be contacted initially on this email address and would be happy to then discuss further by phone as requested.

EDITOR'S REPORT:

Hello everyone, I will have the 2025 MMCCV calendars for sale at the November Club Meeting. They are, as you know, an exclusive and sought after item. At $20 each, they are a steal and as usual there is a limited print run so you need to get in quickly!

The 2025 calendar will be available at the next Club meeting and Pizza night on Thursday November 14th. It is a steal at $20 per copy.
I would like to ask you all to consider sending in photos of you and your Morry's. Pictures of where you go in your Morry or you working on your Morry. Attach the pictures to a little story about where your were or what you were doing. This is all very interesting and you never know your pictures might make the 2026 calendar!!!!

I am hoping to see lots of you at the November meeting were we will be able to socialize and enjoy some pizza.

The other next geat event will be Morrykhana on 17th November, followed by the Christmas dinner on Thursday December 5th
